NORTH POWDER BUYING AUTOS

MOST NEW CAR PURCHASERS ARE FARMERS.

Work of Seeding Nearly Finished and the Crops Look Fine.

North Powder, May 3.—(Special)—North Powder is doing her part in the auto buying this year. Several new cars have come in and more are coming. Three new "Cole 8's" have been brought and more on the way. Several sales of Ford cars are reported and other makes are being sold. It seems as if the farmers know a good thing when they see it and most of the purchasers of the new cars are farmers and they know a good car and do not have to be told by the dealers.

Forsstrom-Pilcher will soon have things straightened up in their store and the improvements are a great help to their business. They have installed cash carriers and other labor saving inventions and will have everything of the latest in all departments.

A large number of people took in the moving picture at Baker "The Birth of a Nation," and all pronounce it a fine show.

Mrs. Keoster has leased her large stock farm to Mercer and son. They purchased most of the stock as well. The farm machinery goes with the lease. This is one of the finest stock ranches in this part of the country and Mr. Mercer is busy improving and putting in his crops. Mrs. Keoster and her daughter, Mrs. Van Buskirk, left for Milwaukee, Wis., where they will make their future home.

The new garage and butchershop are being pushed to completion and will soon be ready for occupancy and the owners are anxious to get into them. Business of all kinds is booming in North Powder.

W. N. Gardener purchased thirty head of dairy cows from Sam Carnes. Mr. Gardener is going into the dairy business on a large scale and expects to devote most of his time to it.

Charlie Brant returned from the Grande Ronde hospital recently where he had been operated on for appendicitis. He is getting along nicely and will soon be in good health again.

Dr. Law has moved his office from the Oregon Rooming house to the McGregor building where he has better accommodations for his patients.

Wiley Dalton is the possessor of a Willys-Knight auto. It is a fine car and he is very proud of it. He traded in his old car in the sale.

Farmers are getting along nicely with their seeding and many will finish up in a few days and nearly all will be through by the middle of the month. Crops look fine. The fall grain is a good stand and the spring grain is coming up nicely.

Milk Wagon Drivers Strike.

Vancouver, B. C. May 4.—Seventy-five milk wagon drivers went on strike late last night to enforce a demand of the Milk Drivers' union for improved working conditions. About half the drivers employed in the city are involved in the strike, which was called immediately after George Andesson, president of the union, reported that none of the dairymen had

signed the union agreement. The principal point over which the union and the employers disagreed was the union's demand that the men should not be held responsible for accounts due from their customers. The question of wages is not involved in the strike.

MINISTERS ARE BACK.

Delegation From Union County at Baker District Meeting.

Union county's quota of Methodist ministers have returned from Baker where they attended an important session of the La Grande district ministers. The chief business item transacted was to change the organization from an association to a district conference, adding more power and greater field in that the new is organized under the rules of the church whereas the old was not.

Among those from this section to attend, and who returned this morning, were: Rev. W. A. Winters, La Grande district superintendent; Rev. W. D. Sittler of Island City who spoke on "Church Finance;" Rev. H. E. Cullison of Union who discussed "Church Benevolences;" L. A. Cook of Walla Walla who spoke on "Fakelism and Psychology;" Rev. L. S. Chapman of Elgin on "Preparation for the Revival;" H. J. Richards of Alsea who spoke on "The Child and the Church;" Rev. A. L. Cathers of Cove, on "Caring for the Converts."

The ministers pronounce the session an important one.

"Chamberlain's Tablets Have Done Wonders for Me."

"I have been a sufferer from stomach trouble for a number of years, and although I have used a great number of remedies recommended for this complaint, Chamberlain's Tablets is the first medicine that has given me positive and lasting relief," writes Mrs. Anna Kadin, Spenceport, N. Y. "Chamberlain's Tablets have done wonders for me and I value them very highly." Obtainable everywhere.

Avoid Spring Colds.
 Sudden changes, high winds, shifting seasons cause colds and grippe, and these spring colds are annoying and dangerous and are likely to turn into a chronic summer cough. In such cases take a treatment of Dr. King's New Discovery, a pleasant Laxative Tar Syrup. It soothes the cough, checks the cold and helps break up an attack of grippe. Its already prepared, no mixing or fussing. Just ask your druggist for a bottle of Dr. King's New Discovery. Tested and tried for over 40 years.
