LEAGUE AT IMBLER ELECTS

FRUIT TRACT SALE HALTED
FOR THE PRESENT.

Spud Planting On in Full Blast At
Imbler These Days.

Imbler, May 10.—(Special).—Sunday evening the local Epworth league elected the following officers for the ensuing year: President, Mrs. E. E. Hurley; first vice, Georgia Berry; second vice, Stella Rollins; third, Marvin Estes; fourth, Mrs. Sadie Connor; organist, Edna Holmes; secretary, Harold Bingsman; treasurer, Mary Holmes. Installation will be held May 14. Mrs. Frank Martin has been appointed superintendent of junior league.

Joe Kellum's ankle is improving but he wasn't able to help defeat Cove in Sunday's ball game.

The orchard tracts southwest of Imbler reported sold a week ago will probably not change ownership for a while as the negotiations are now at a standstill. The sale may be effected later.

Miss Ollie Childers accompanied by a squad of soldiers of the Salvation Army, spent Sunday in Imbler, holding a service at 11 a. m. and another at 3 p. m. Miss Childers visited her cousin, Mrs. Bessie Witt, while here.

Work on the two garages is progressing rapidly. Page's building is being used constantly while the carpenters are finishing.

Sam Brooks, William Furman and other ranchers are planting a good acreage of spuds.

Joe Lloyd, who is now visiting his parents in Imbler, has sold his property in Wallowa county and will seek a lower altitude near the coast on account of his health.

The infant son of Mr. and Mrs. W. Bell, who has been suffering from what is known as pyloric stenosis or closing of the orifice leading from the stomach to the duodenum, is being treated by Dr. Moore and at present is gradually improving.

Avoid Spring Colds.

Sudden changes, high winds, shifting seasons cause colds and grippe, and these spring colds are annoying and dangerous and are likely to turn into a chronic summer cough. In such cases take a treatment of Dr. King's New Discovery, a pleasant Laxative Tar Syrup. It soothes the cough, checks the cold and helps break up an attack of grippe. Its already prepared, no mixing or fussing. Just ask your druggist for a bottle of Dr. King's New Discovery. Tested and tried for over 40 years.

Laid Up with Fractured Skull

Centradia, Wash., May 8.—Walter Heavy, of Oakville, employed at the Smith mill, on Gerrald creek, is confined at an Olymnia hospital with a fractured skull. The young man was helping to start an engine and was caught by the belt and thrown against a post with considerable force.
