There is only one way to truly appreciate the style, comfort and poise of a MODART Corset, and that is to have a trial fitting.

The designer of MODART Corsets is considered foremost in the world of corsetry. No other corset can claim his skill. Every design originated by this style creator must meet his approval as an anatomist also.

The result is a corset that gives you the satisfaction of the smartest style and the assurance of health and comfort. The MODART gives lines that are chic, distinctive, graceful, yet allowing free and easy respiration.

It can be adjusted to the most minute requirements of individual figure lines. It affords a gentle, uplifting support at all times. Health, comfort and fashion urge a MODART fitting.

OUR MODERN IDEA OF---

Co-Operation, Efficient Service and Economy

is proving to be a great success. We aim to please you always, by giving you good service, help you economize by co-operating with over 400 other merchants—buying direct from the factories through the R. C. U.

For this very good reason we are always prepared to give you the newest in style in Ladies' Blouses—at prices that are the most favorable.

We have allied our own buying power with that of several hundred other good merchants—Vast economies come as a result and you, the consumers, derive the benefit in infinitely better values than would be possible where a store operates as a single unit. To each of these many stores are forwarded the very newest styles shortly after their origination—and in every one of them—these new styles are placed on sale on the same day they first make their appearance in the country's recognized style centres. This explains our pre-eminence in the sale of Blouses.
