

MOTHER'S DAY GETS NOTICE

LA GRANDE TO CELEBRATE THE DAY

Religious Observations Fitting to the Day Provided For

Mother's Day tomorrow. Wear a white rose for mother, men and women too!

What could be more fitting to mother's day than to have pulpits extol "Mother"? Nothing. Therefore practically all the pulpits of the city will tomorrow be given over to services appropriate to the day which is national in scope and is generously supported everywhere.

In some instances, especially elaborate Mother's Day services are to be conducted. The Presbyterian, Baptist, Salvation Army, and other church institutions are taking the lead in this movement looking toward a big day, religiously observing an event which every mother's son and daughter should and does hold dear.

Judas' Father, Theme

BUFFER STOPS LETTERS

WHY THE PRESIDENT FAILS TO ANSWER YOU

Washington May 13.—Ira Smith's job is to see that the President of the United States is not annoyed by the thousands of people who write to him. And Mr. Smith is a very busy man. Every day many hundreds of letters addressed to the chief executive—usually they are marked "private" or "confidential"—reach the White House. As a rule about five of the batch is sent unopened to Mr. Wilson. The rest have failed to pass Mr. Smith, who is a handwriting expert and can tell which of the letters the President must see and which should be turned over to the executive of vice staff for answer.

Bible school at 9:45 Mrs. T. E. French, superintendent; Miss S. Smith organist.
Morning worship at 11 a. m.
"Mother". Special service and duet by Mrs. Logan and Mrs. Cullen.
Evening services at 8:00. Sub. "The Tabernacle in the Wilderness," illustrated by stereoptical views.
Come and wear a flower for Mother's sake.
Prayer Meeting, Thursday 8 p. m. Leader, H. L. Ford.

THOSE SUDDEN TWINGES.

Bring Suffering to Many a La Grande Reader.
Pain is nature's signal of distress. A warning not to be ignored. Those sharp twinges in the back—Those sudden, stab-like pains when stooping,

HOOSIERS AT CORYDON

Anniversary Affairs Draws Many to Old Indiana Village—City Corydon, Ind. May 13.—Hoosierdom flocked here to celebrate the fact that one hundred years ago today delegates were elected to Indiana's first constitutional convention. This village was Indiana's first capital. Here Indiana's first constitution was drawn up under an elm that still stands, and which figured prominently in today's celebration. The centennial will culminate in a big pageant at Indianapolis.

GOOD ROADS

Good roads for Union County means more business for the merchants, better rents for the property owner, decreased market cost for the farmer and employment for men and teams. Will also bring about more pleasant and convenient social relations by making schools, churches and theaters and neighbors more accessible.

All admit the necessity for permanent roads. The only difference in opinion is as to the method to be employed in financing the improvement. The proposed bonding plan will secure much of the needed improvement at once and further provides for yearly reductions of the bond. The rate of interest is low.

The following table shows the rate of interest and the amount of yearly reduction. Note that the average annual cost to the tax payer is less than two mills, and that the bonds are paid off in fourteen years. Bonding is simply a business way of providing for an immediate necessity on the easy payment plan.

The Fourteen Year Plan

THE FOUR HUNDRED THOUSAND DOLLAR FOUR AND A HALF PER CENT BOND ISSUE WILL BE PAID OFF WITH AN AVERAGE TAX OF \$1.941 PER YEAR ON THE \$1,000 OF ASSESSED VALUATION BASED ON THE TOTAL ASSESSED VALUATION OF \$21,000,000 FOR THE COUNTY.
