**PRICES \$6.00 and Up**

You don't wonder when? Where? or Why? such and such a picture was taken—you know—because it is written on the film, at the time the exposure is made. Think of the completeness of an Autographic Kodak record of the children, a household history with the dates and facts in writing below each negative.

**WHAT A WOMAN OF OUR NATIVE STATE SAYS.**

Portland, Oregon.—"For a long time I have been so nervous I could almost scream at times, and have had spells that I could not get around. My back pained so at night I could not sleep—doctors did me no good. A lady in Gearhart recommended Doctor Pierce's Favorite Prescription to me so I thought I would give it a trial. I have now used four bottles and am still using it. It has done me much good."—Mrs. D. SHOEMAKER, 380 N. 19th St.

The use of Dr. Pierce's Favorite Prescription makes women happy by making them healthy. There are no more crying spells. "Favorite Prescription" cures inflammation and female weakness. It makes weak women strong, sick women well.

Like an open book, our faces tell the tale of health or disease. Hollow cheeks and sunken eyes, listless steps, sleepless nights, toil of wasting debilitating disease some place in the body. It may be one place or another, the cause is generally traceable to a common source. Get the "Prescription" to-day—either in liquid or tablet form, if you want to better your physical condition speedily. Dr. Pierce's Pellets regulate stomach, liver and bowels.

Questions of Sex?—Are fully and properly answered in The People's Common Sense Medical Adviser. All the knowledge a young woman, wife or daughter should have is contained in this big Home Doctor Book of 1008 pages with engravings and color plates, and bound in cloth. **An Economy Force That's Making Itself Felt**  
 Co-operative buying among wide-awake merchants is doing more today to reduce the high cost of living than any other known factor. Reports from over 400 stores belonging to the Retailers Commercial Union show a decided tendency on the part of the public to trade where a little less money goes farther.  
 This means, of course, buying of merchants who buy their goods together direct from the manufacturer in such vast quantities as to reduce the lowest quantity prices and thereby save the expense of the middleman. It is said that the \$35,000,000 buying power of the R. C. U. stores reduced the cost of merchandise to their customers at least 7 per cent last year.  
 When you see a store advertise their membership in the R. C. U., that means "More for Your Money."

If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford.
