Snows May Prove Fire Menace. Bend, Or., June 1.—Heavy snows of last winter will delay the fire season in the Deschutes national forest about a month, but the season will be the most dangerous the forest has experienced in many years on this account. To meet this expected condition, the protective force will be increased about 25 per cent over other years.

BIG TURNOUT AT CONFERENCE

THIRTY-SEVEN GO FROM LA
GRANDE ALONE.

Boys' and Girls' Conference at Pendleton Draws Delegates.

Under the leadership of Mrs. C. H. Upton nearly twenty girls left this morning for Pendleton to attend the Third Annual Older Girls' Conference, which is being held June 2, 3 and 4 under the direction of the Oregon Sunday School association. Among the delegates from La Grande were Dorothy Haworth, secretary of the conference, Isabelle Miller, Roma Jacobson, Gladys Taylor, Pearl Taylor, Lucille Pierce, Gladys Curry, Helen Pierce, Bessie Stoddard, Lavine Wolgamood, Neva Snyder, Alice Spencer, Marguerite Winters.

Mrs. Upton of this city and Mrs. Bidwell of Island City each take important places on the program. Isis Bryant of Island City will take Leta Kiddle's place on the program. This is by far the largest delegation that has ever left this city for a girls' conference.

La Grande Boy Is President. Meeting in the same city, at the same time and under the same direction will be a similar conference for Older Boys from Sunday Schools in this locality. Lynne Wright of this city is President of the conference and will preside at its opening sessions. Ralph Poston will attend with him. Rev. G. L. Clark has a very important part on both the Boys' and the Girls' conference program.

Thirty-seven attended from La Grande alone and these were augmented by Alice and Island City and other branchline points. A total of 60 left on No. 17 this morning for the conference. A few will remain over until Monday evening though a majority will return Sunday.

BEST BY TEST, SLOGAN

ARCADE ADOPTS SCOTT WHEATLEY'S LINE.

Mrs. Lee Morelock's "Films That Please" Brings Second Best.

"Best by Test." That is the favorite slogan submitted to the Arcade theatre management, and will hereafter be the advertising line for that show house. Scott Wheatley, South La Grande dairyman, is the coiner of the slogan and obtains a six months' pass to the playhouse for his efforts. Second place was won by Mrs. Lee Morelock with the slogan "Films That Please." She gains a three months' pass to the same theatre.

The judges found many splendid slogans in the offerings brought forward by theatre fans but selected the two mentioned after considerable study. F. L. Meyers, T. J. Seroggin and Bruce Dennis were the judges of the slogans.

WARNING IS ISSUED.

Danger of Serious Accidents at Fires Cited by Officials.

To the Public:—It is with some serious concern regarding the welfare of the City of La Grande that the undersigned desire to make an emphatic protest against the wild, inconsiderate and reckless display of speed made by the automobiles on the occasion of every fire alarm in this city.

It is almost impossible for the Fire Department and the members who are compelled to make all necessary speed in order to reach the fire to make decent headway along the streets on account of the numerous machines and bicycles heading for the fire. It is really miraculous that there are not a number of people killed on the occasion of every fire alarm in La

Grands. The time has come when there should be put a stop and a serious regulation to the speed of all machines and vehicles attending fires. If this evil is not soon remedied, some movement should be immediately made in order that a strict regulation be enforced.

This brief letter is intended as a fair warning to all speed violators and we trust that those whom it affects will give it the respect to which it is entitled.
