HAPPENINGS IN BY-GONE DAYS

Attorney C. H. Finn has a photographic view of a portion of La Grande which was taken nearly thirty years ago. The view shows in the foreground Mr. Finn's law office which for a number of years was located in a small frame building on the corner of Adams and Depot where the Loftus building, occupied by the Levy-Vogel drug store, now stands. This corner belonged to Mr. O. Ralston, afterward mayor, who was one of the first to come over from Pendleton and establish business in the "new town." Mr. Ralston had a furniture store which was built along side the alley while the corner remained vacant until he put up the brick as it now stands and which he subsequently sold to Mr. Loftus. This was the first two-story brick building in the new part of La Grande. The little office building was removed to a location down on east Adams and remains there with a portion of the painted sign still visible. In this view there is a two-story frame building in the back ground. This was the residence of J. E. Foley and it occupied practically the same site as the present Foley home. The building was afterward shifted so as to front on Washington avenue and was more recently occupied by Mr. and Mrs. Jake Gulling. On the right is seen the old store building of Sommer & Blum facing to the south. There were three or four shacks west of the store building, but the principal part of the block and including the site of the Foley hotel was all vacant lots.

Killed With Joy.
 An old gentleman named Williamson lived for many years in the mountains west of La Grande and had a family of several children, a few of whom are still residents of this section. He owned a claim on Beaver creek near the city water in-take and now in possession of J. H. McLachlen. For a number of years Mr. Williamson, who was a grand army veteran, endeavored to secure a pension. This was in the days when there was a great deal of red tape connected with pension matters, and applicant's claims had to go through examiners and many officials. After a long period Mr. Williamson was informed that his pension and a considerable sum as back pay had been awarded and that a voucher for the same had been forwarded. He was affected with heart trouble and the news of his success was too great. He immediately collapsed and did not live to see a cent of the money which he had so long and patiently awaited.

Origin of English Willows.
 People who travel in what is known as the Gekeler lane cannot fail to be impressed with the stately row of trees on the south side and which extend their branches almost across the road. These trees are English willows and the original stock was brought to Grande Ronde from England by Arthur Hemming who owned the place east of the Gekeler farm. Mr. Hemming was for many years the proprietor of a bakery establishment in the "old town" where his death occurred thirty-five years ago.

Twenty-Four Years Ago.
 At the spring meeting of the Multnomah Amateur Athletic association, held in Portland Monday, the two La Grande boys, J. H. Peare and Jay Van Buren, who were entered in the contests, came away with honors. The results of the contests in which they were interested are given in the Oregonian as follows:

120-yards hurdle, with 3 yards handicap given by J. H. Peare—won by J. H. Peare, La Grande. A. C. Time, 29 1-5 seconds.

Running broad jump, 5 inches handicap given by J. H. Peare, won by J. H. Peare, La Grande. A. C. 21 ft 1 1-4 inches.

Running high jump, 5 inches handicap given by Foster Beck, won by J. H. Peare, La Grande. A. C. 5 feet, 6 inches.

Two mile upright bicycle race, won by C. R. Frazier, Jay Van Buren, La Grande. A. C. Time, 7 minutes, 25 1-5

seconds. The race was neck and neck between Frazier and Van Buren to the finish.

W. M. Lasley has received a fine landau which he will use on the streets of La Grande and will use every effort to accommodate the public.

Memorial Day was fittingly observed by Oliver P. Morton Post. The post here was made the recipient of a beautiful flag, the gift of Comrade Goodbrod of Preston Post, Union. The address was given by Dr. A. Le Roy at the opera house in the evening.

Half Million Germans to Salute Flag

New York, June 3.—To demonstrate their patriotism 500,000 German and Austro-Hungarian Americans and their friends will go to Sheepshead Bay Speedway, tomorrow and salute a gigantic American flag composed of 2,000 girls attired in the national colors.

The event is under the auspices of the American Liberty Day Committee and, is intended to impress the country with the love these citizens of foreign birth have for the flag and the welfare of the United States.

There will be exhibitions by turners and mass calisthenics of 3,000 men and women members of the clubs in the North American Turner Bund and chorus singing by 10,000 children of the German congregation.

A special program of daylight fireworks is listed, and a parade with floats will illustrate a number of great examples of Germans who, from Revolutionary days have been of great importance in shaping the course of the American Republic.

Chicago Duplicates Parade

Chicago, June 3.—A preparedness demonstration equal to New York's gripped Chicago today. It was the prelude to a series of big events which throw this city in the world's spotlight of news for the next ten days.

Nearly a quarter of a million Chicago men, women and children, it is estimated, marched today in a parade to arouse the nation to preparedness. Sober minded men and women—bankers, politicians, society women, clerks, shop girls—from all walks of life who want peace but not "at any price" marched. There were 50,000 march-

In the Day's News

PRINCE VON BULOW

Prince Von Bulow is mentioned as a possible successor to Count von Bernstorff, as German ambassador at Washington.

If he is sent to this country his arrival will be regarded in official circles as the signal for a move by Germany toward peace, with the United States as mediator.

Popular Play to Be Presented by Comus Players

Drama to Be Presented to Chautauqua Patrons For First Time in the West

THE presentation of the Comus Players in popular and Shakespearean repertoire marks a distinct but welcome departure in Chautauqua feature attractions. Each member of this company has distinguished his or her self in the drama.

The Comus Players will present either "Carson of the Northwoods," a dramatic classic of Canadian frontier life, or "Nance Oldfield," a human interest play of strong moral tone and appeal.

As a prelude to either of the foregoing they will give a selection from one of the favorite Shakespearean dramas.

ers from the United Young Men's Clubs alone.

One feature of the parade was the suffragist section. Another was the motorcycle section, in which several thousand motorcyclists rode their machines.

One hundred and eighty union chauffeurs offered their cars without charge to anyone desiring to take part in the parade. The steel mills in South Chicago and Gary, Ind., sent five thousand men.

Illinois National Guard regiments marched by special permission of Gov. E. F. Dunne.

It was estimated that Mayor William Hale Thompson will have to sit in reviewing stand twelve hours if he plans to see the parade from start to finish.

Major-Gen. E. C. Young headed the parade. His chief aid was Colonel Milton J. Foreman, of the First Illinois Cavalry regiment, one of the best equipped cavalry bodies in the National Guard.

H. L. Van Wuck, who organized the huge preparedness parade held in New York City recently co-operated with August Hibbard of Chicago, in organizing today's demonstration.

It was estimated there were more than a million spectators.

"Old Black Joe" Composer Honored

Pittsburg, June 3.—Not the least interesting part of tomorrow's celebration in this city will be the formal opening at the Stephen C. Foster home dedicated about a year ago to the city in perpetuation of the composer's name and works.

All day and far into the evening a band will play his songs on the lawn. "Old Black Joe," "Swanee River," "Nellie Gray," "My Old Kentucky Home" and other favorites he wrote will be played.

The piano that Foster frequently used and a score of other interesting relics of his have been loaned indefinitely to the city by his descendants and will be attractively placed in the house.

Pengra Talks To Boosters

Baker, June 2.—General E. B. Pengra of the Sumpter Valley railroad was the speaker at the weekly Commercial club luncheon at the Geiser yesterday, and his talk was one of the best heard at the weekly event for some time. In outlining the local business situation as it affects the S. V., Mr. Pengra was most optimistic. For the current year the road's business has shown the greatest increase in its history and is more than justifying the expenditures in road improvement, new rolling stock and added equipment. Business in all lines is good and Mr. Pengra held out most hopeful views of the future in the development of this section of the country in its many varied resources. He noted the increased population on the farms in the territory tapped by the Sumpter Valley and pointed to this as one of the most promising signs for the future growth and development of the section.

Voters Recall the Mayor of Boise

Boise, June 1.—Mayor J. W. Robinson and Councilman E. V. Eichelberger were recalled in today's election. E. H. Hays was elected mayor by a majority of 136. Wm. Stevens, councilman, had a majority of 285. An unusually heavy vote was polled. Charges of incompetent police administration were largely responsible for the recall.

Dentist Without License Is Fined.

Newport, Or., June 1.—Dr. M. Berry, of Newport, recently arrested charged with violating the state dental law by practicing without a license, was tried yesterday at Toledo and fined \$50. He appealed to the circuit court. He was again arrested last evening on a similar charge and the trial set for June 13. Previously

to this he was arrested three times, but always escaped conviction on technicalities, it is claimed.

Dean at State University to Resign.

Eugene, Or., June 1.—Miss Ruth Guppy, dean of women of the University of Oregon for the past four years, will tender her resignation to the board of regents tomorrow. The president's office and also Miss Guppy refused to discuss the rumored resignation until after the meeting tomorrow, but it is understood that the action originated entirely with Miss Guppy.

Initiative Bill Planned in County Seat.

Bend, Or., June 1.—That an initiative petition may fulfill the requirements for placing upon the regular ballot the question of county seat removal in Jefferson county, which contest is being waged between the towns of Culver, Madras and Metolius, is the opinion of Attorney General Brown, who was asked for an opinion by citizens of Madras. By the petition only a majority is required to move a county seat, while the special statute requires a 60 per cent vote.
