

Modart Corsets
Front Laced.

"Most Any" corset won't do!

"Most any Medicine" wouldn't do if you were ill, would it? You want the particular medicine for your specific ailment.

And if you really care about having a good figure—about retaining your youth as long as possible—about increasing your grace and charm—then "most any" corset won't do either.

You want the particular corset for your specific figure needs.

Naturally corsets differ—in just the proportion that the abilities of their designers differ. So—to be certain of getting the best corset for your figure—it is essential that you select one created by a designer of known skill and reputation.

In the world of corsetry Jennings is generally accounted the foremost designer. He designs Modart Front Laced Corsets exclusively.
