Blanche Sweet, the popular photodramatic star will be seen at the Arcade today and tomorrow in the Jesse L. DeMille. Prince Paul Alexis of Russia is in love with the daughter of his Chancellor, Karin Dolokhof. The three are secretly working for a League of Freedom to make Russia a Republic. The Prince and Karin have just plighted their troth when the Prince receives word from the Czar that he must marry the Princess Tanya for political reasons.

The Prince at first wants to leave Russia with the Chancellor and his betrothed, but Karin makes him realize that his duty to the League comes before love.

### Two Deaths Long Secret.

Woman Learns Mother Has Been Dead 4 Years and Sister 2 Years. New York, June 3.—Four years after the death of her mother and a year after that of her sister, Mrs. Mary C. L. Brown first learned that they were not still alive. Both women died in the Archer Home for Elderly People, at Windsor, Conn., conducted by Mrs. Amy E. Archer-Gilligan, now under arrest on a charge of poisoning one of the inmates.

Mrs. Brown lives in Bridgeport. An article appearing in a Bridgeport paper saying that state police were in that city investigating the circumstances surrounding the deaths of Mrs. Rosa Lynch, aged 93 years old, and Mrs. Rosa Lynch, aged 65, was the first word she had received of either of them in years.

Mrs. Brown is a sister of Dr. John C. Lynch, noted neurologist and member of the consulting staff of the Post Graduate Hospital in New York. Mrs. Lynch died on June 20, 1912, and her daughter died in 1915. In a statement Mrs. Brown said that Dr. Lynch was administrator of the estate of the sister.

"It was quite surprising to read in the newspapers of the deaths of my mother and sister at the Archer Home," said Mrs. Brown. "I cannot understand why I was never notified when their deaths occurred. I never knew they were removed from Trumbull (near Bridgeport)."

"I have nothing to say except that I wish they would tell the truth," Dr. Lynch said. "My mother and sister died four years ago of incurable diseases, to the best of my belief. They had the best of treatment in the home. The state can do what it pleases in the matter."

### To the Public

### MELLOW-SWEET IS TASTE OF "SPEAR HEAD"

Most Richly-Flavored Chew That We Ever Pressed Into Plugs

FAVORITE FOR A GENERATION

Red-blooded men with real tobacco hunger find that they can satisfy it only by chewing, and the most wholesome and satisfying tobacco to chew is that made in plug form.

The fruit of luxury in tobacco chewing is the rich, sweet, juicy flavor that trickles through your system when you chew Spear Head.

No other chewing tobacco is so mellow, so luscious and so satisfying. No other equals Spear Head for putting a keen edge on your appetite.

Spear Head is made of the world's best tobacco leaf—the choicest of red Kentucky Burley. This leaf is selected for its full, juicy richness with the most substantial taste. It is steamed by hand, is pressed into a Spear Head plug so slowly that not a drop of the rich, natural juice is lost.

Your first chew of Spear Head will open your eyes to the genuine enjoyment there is in chewing.

Now the rich and mellow tobacco used has been the favorite for a third of a century—that's Spear Head. In 10c cuts, wrapped in wax paper.

### Stomach Troubles and Constipation.
