BEARISH TONE IN MEAT LIST

BIG SHIPMENT OF CALIFORNIA STUFF CAUSE.

Cattle Have Tendency to Sink in Price—Sheep Firm.

Portland, June 5.—Thirty-one loads of California fed cattle came upon the North Portland market at the opening of the week's trade and had a bearish influence upon the price. The Hearst Estate alone had 10 loads of cattle in from San Luis Obispo and 104 head of these sold at \$8, which was somewhat lower than previous sales from the same parties and from the same section. These cattle were raised in Mexico, but were fed in California.

It was a very small run of stuff in mutton division of the North Portland market over Sunday. Total run was but 668 head, compared with 1326 head last Monday.

In general there was a steady to strong tone all through the mutton and lamb trade for the day. American markets in general were weaker and lower for the day, but the most extreme weakness was on the coast.

MEAT CAUSE OF KIDNEY TROUBLE

Take a glass of Salts if your Back hurts or Bladder bothers—Meat forms uric acid.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.
