### CRIPPEN SENTENCED.

tried in municipal court on a charge of conducting a nuisance.

That Crippen didn't use the concoction thus manufactured for his own use solely is the belief of authorities and his severe punishment is based on that premise. One small can of the powder is guaranteed to make five gallons of so-called beer, and he had an after can in his possession, the authorities say. Furthermore, liberal case packages of whiskey shipments sent to others than himself, but found on his premises, lead the authorities to believe that

with conspiracy of others the plant was able to rig up beer with more than the prescribed "kick" to it.

## DOLLAR DANCE IS ANNOUNCED

LADIES OF CATHOLIC CHURCH INVITE PUBLIC TO SOCIAL EVENT.

Rex Hall To Be Scene of Jolly Crowd Tomorrow Evening.

Everyone has heard of the dollar dinner, the dollar this and the dollar that, and occasionally many have attended a "dollar dance," but not by that name. Usually some euphonic social title is given to every function, but not so with the dance to be given tomorrow evening in Rex hall by the ladies of the Catholic church. They are going to give a "dollar dance" and announce the fact in the first breath. The dollar is the business end of the undertaking, and the reason there is to be dollars connected with this party is because the Catholic building fund needs the money, it is claimed, and there is no use to conceal facts. But there is a social feature planned for tomorrow night in connection with raising this important dollar, that will surely please all. Excellent music has been secured, and aside from that there will be some special numbers of exceptional interest.

Some of La Grande's best talent has been enlisted to help make this an evening different in many ways, and yet to carry the good old time dancing "pep."

At last report today a large number of tickets had been sold and everything was in readiness for a big time tomorrow evening the receipts from which will swell the building fund.

The committee of ladies directly in charge of this event is composed of Mrs. P. A. Foley, Mrs. Norman Desilet, Misses Irene Murphy and Etti Foley.

### JUDGE KNOWLES AFFIRMED.

Water Right Case Originally in the District Court.

The decision of the Supreme court of the United States in the water right case as announced in the dispatches yesterday was originally before Judge Knowles and the main point raised, that of the constitutionality involved, was passed upon in the district court and Judge Knowles' decision was sustained by the state supreme court. In order to get the main issue before the United States supreme court the case was instituted in the federal court for the district of Oregon. All the subsequent decisions in the state supreme court as well as in the lower federal court and then in the highest court—sustained the ruling as originally passed upon by Judge Knowles.

### WITNESSED BIG PARADE.

C. D. Emahiser Writes of His Experiences in Chicago.

Mr. C. D. Emahiser, of the Oregon Grocery company, is in Akron, Indiana, where he was called on account of the serious illness of his father. He was in Chicago on the day of the preparedness parade and took time to write the Observer of that great event. He says:

"This is a big holiday in Chicago—everything is closed and all the industrial, commercial, social and political organizations are apparently demonstrating their approval of preparedness by joining the greatest parade in the history of the city. The number of people marching is estimated at 200,000. All surface cars stopped at 8 o'clock this morning. An uninterrupted highway is established for the passage of the parade and the hundreds of thousands who crowd the sidewalks to view it. The parade started at 8 this morning and will end at 10 tonight.

### ECHOES FROM UNION.

Union Happenings Always Interest Our Readers.

After reading of so many people in our town who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The generous statement of this Union resident leaves no room for doubt on this point.

J. M. Johnson, proprietor of barber shop, Main street, Union, Ore., says: "I think constant standing weakened by kidneys, causing pain and soreness in my back. One day a customer who heard me complaining, told me Doan's Kidney Pills were good and I got a box. I used them but a short time before I was convinced that the man who recommended them to me knew what he was talking about." (Statement given November 8th, 1907.)

Over five years later, Mr. Johnson said: "I use Doan's Kidney Pills occasionally and find them just the thing for irregular kidney action and kidney ailments."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Johnson has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv. 12-11-15
