Among the many things which have been discovered along the lines of picture work in the past few years, there is nothing perhaps that stands out more prominently, than the New Ansco Speedex Film. Since its introduction, the standard of amateur picture taking has been materially raised and people have learned to know the film that is giving universal success wherever it is used. Ask for the Speedex film at Silverthorn's Family Drug store.—Adv. 6-5-tf.

Wild strawberry crops over the mountain district tributary to La Grande promise to be prolific. Various canyons are in the midst of the bloom right now and anyone who happens to appreciate the worth of wild strawberries will find it worth while, barring further harm to the blooms, to spend some spare moments in the hills gleaning some berries for preserves extraordinary.
