## SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients for 50 cents a large bottle, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

### Why "Anuric" is an INSURANCE Against Sudden Death.

Before an Insurance Company will take a risk on your life the examining physician will test the urine and report whether you are a good risk. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or the twinges and pains of lumbago, rheumatism and gout. The urine is often cloudy, full of sediment; channels often get sore and sleep is disturbed two or three times a night. This is the time you should consult some physician of wide experience—such as Dr. Pierce of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. Send him 10 cents for sample package of his new discovery, "Anuric." Write him your symptoms, and send a sample of urine for test. Experience has taught Dr. Pierce that "Anuric" is the most powerful agent in dissolving uric acid, as hot water melts sugar; besides being absolutely harmless it is endowed with other properties, for it preserves the kidneys in a healthy condition by thoroughly cleansing them. Being so many times more active than lithia, it clears the heart valves of any sandy substances which may clog them and checks the degeneration of the blood-vessels, as well as regulating blood pressure. "Anuric" is a regular insurance and life-saver for all big meat eaters and those who deposit lime-salts in their joints. Ask the druggist for "Anuric" put up by Dr. Pierce, in 50-cent packages.

### STRENGTH AND BEAUTY

Come with Dr. Pierce's Golden Medical Discovery. This is a blood cleanser and alternative that starts the liver and stomach into vigorous action. It thus assists the body to manufacture rich red blood which feeds the heart, nerves, brain and organs of the body. The organs work smoothly like machinery running in oil. You feel clean, strong and strenuous instead of tired, weak and faint.

## HUGHES STAYS AT HOME AS DELEGATES BATTLE; LATEST PHOTOGRAPH OF JUSTICE

While the republican delegates battle in Chicago for nomination of Justice Charles Evans Hughes as presidential candidate, Justice Hughes spends his time in Washington, going about his regular duties. **Will Buy Prineville Bonds.**  
Watson P. Davidson, president of the Oregon & Western Colonization company, offered to take the bonds of the new Prineville railroad, \$100,000, at par, in case they could not be sold elsewhere.

"It is only a matter of completing the road to Prineville, which will be done this summer," says Mr. Davidson, "until a logging road will be started into the timber to the east of this town, which will mean a large mill here."

"Mr. Rogers has sold his timber in the Cascades and is getting his money for it. He is anxiously watching the railroad development here, and I know he is ready to act in the matter."

"This means a payroll, the doubling up of values of all the property in the city and surrounding country and the transformation of Prineville from a country village to something very much better."
