IF BACKACHE OR KIDNEYS BOTHER

Eat less meat and take a glass of Salts to flush out Kidneys—Drink plenty water.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it is no longer a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

FORMER SLAB STAR JOINS HAS BEENS

One by one they're going back! The latest is Big Ed Walsh of the White Sox, once master spitball artist, according to reports from the east. Walsh's mighty arm has worked its last miracle in major company. The iron man is slated for an umpire's berth and next season may hear him calling balls and strikes in the American league.

SHERRY'S

New William Fox Star is a Fully Rounded Actress.

(Today and Tomorrow.)

Critics and other students of the theatre who are not called upon to write their view discuss frequently the meager equipment, both as to training and intellectual capacity, of many of our American and English stars. These criticisms are, in the main, exceedingly well founded. Accident or beauty, or both, have been responsible for the creation of a vast number of over-night favorites in the American theatre.

Mme. Kallich has appeared in the spoken drama in seven languages, and one additional dialect which in itself constitutes an eighth tongue. This wonderful Galician woman, born in Lemberg, appeared when a mere slip of a girl in Bucharest and there, in the Roumanian tongue, worked her way to the position of star.

MOUSEY COLOR SHOES; GAY STOCKINGS

"Mouse" brown is the color of modish pumps that "peep in and out beneath her eight-inches-from-the-ground petticoat."

It's the newest, and, of course, the most popular shade in footwear, though gray is by no means out of favor.

Striped stockings, the stripes matching the shoes in color are the stockings to wear with the new pumps.

The Crops are Growing Fine at PALMER LOGGED LANDS

\$15 Per ACRE 1-10 Per Year 6 Per Cent Interest

We have some fine places from 80 acres to 320 acres of as good land as any yet sold, well located, water, fairly level, good soil. These places will make valuable grain farms or dairy ranches.

25 families are now living on their places. 1000 acres of new land is now in crop. A dozen new homes are being built. The grass is green and pasture excellent. The roads are in good condition.

The school and Sunday School are in session. More land is being cleared and levees built. New houses and new crops are showing up. A new community is rapidly developing and new capital being created, for Palmer Valley lands will soon be worth several times their present price.

Palmer logged over lands are the best new land offers in the West today. Write for our new circular and additional information, or call and let us show you samples of grains and grasses, and pictures of the land. George Huntington Currey will go with you at any time to show you the tracts that are still unsold.
