We have some fine places from 80 acres to 320 acres of as good land as any yet sold, well located, water, fairly level, good soil. These places will make valuable grain farms or dairy ranches.

25 families are now living on their places. 1000 acres of new land is now in crop. A dozen new homes are being built. The grass is green and pasture excellent. The roads are in good condition.

The school and Sunday School are in session. More land is being cleared and fences built. New houses and new crops are showing up.

A new community is rapidly developing and new capital being created, for Palmer Valley lands will soon be worth several times their present price.

Palmer logged over lands are the best new land offers in the West today. Write for our new circular and additional information, or call and let us show you samples of grains and grasses, and pictures of the land. George Huntington Curry will go with you at any time to show you the tracts that are still unsold.
