

FROM EVERY TOWER—FROM EVERY HILL THROUGHOUT THE LAND RING ECHOES OF OLD LIBERTY BELL.

Tho' the first peal sounded one hundred and forty years ago, the "echo" is still distinctly heard today by the thousands, yes, millions, who honor this Anniversary of Liberty—July 4th.

And the freedom of a Nation continues as an inspiration to business organization, for each one must be a nation within itself. These are days of freedom from many narrow business customs of many years gone by.

FREEDOM from the long forgotten mercantile tricks. FREEDOM from advertising that bristled with thorns of falsehood. FREEDOM from bargaining and haggling over prices—one price to all always FREEDOM of opportunities to employees to be employers. FREEDOM from evils within and evils without—the business life. Not one of us having tasted of the fruits of freedom, fought for and won through the sacrifice of lives of our forefathers, and their untold hardships—not one who would willingly turn his back upon this glorious freedom—a legacy richer than any heritage of gold.

So today we lift our voice in praise and open our hearts in thankfulness to those noble pathfinders and pioneers in Freedom— Freedom of Our Nation. Freedom of Our National Business Life. Freedom of Our Private Business Life. And you are always "free" to buy anything you want at

SHERRY'S

At Sherry's. "Fate's Boomerang," the latest World Film release in which Mollie King is the featured star, will be the attraction at the Sherry theatre today last day. It is in five parts and deals with the trials of a man desperately in love with his wife, who is sent to supervise the building of a railroad in the western moun-

tains. His wife, fond of society life, refuses to leave her life of pleasure or the open and restricted life of the forests, only to find later, that her mother instincts are stronger than her desire for gaiety, but alas! It is too late. The husband is now growing with the railroad, getting bigger and bigger each day. Having met the little mother of the hills, mated with her and in her finds the true love that his heart has sought for so long. It is staged in a wonderful scenic atmosphere and its story is bound to please all lovers of strong and strange romance.

ARCADE

ARCADE ATTRACTION

"Little Billy" Jacobs appears prominently in the support of Marie Doro in "The Heart of Nora Flynn," which will be at the Arcade, this afternoon and tonight. Though only five years old, he has the distinction of being a photodramatic star in his own right. Ever since he was two years old he has been receiving a salary that some of the prominent screen stars would envy. "Little Billy" was especially engaged by Cecil De Mille to appear with Miss Doro. Among theatrical people Billy is recognized as a five-year wonder. Mr. De Mille asserts he is much easier to direct and requires less instructions to get a scene perfect than many experienced actors.

Bryan Advocates School Training

New York, July 3.—A day at Coney Island, school athletics in the stadium of the University of the City of New York and an address by William Jennings Bryan advocating "school training that makes for peace with honor," are the feature of the Fourth of July celebration of the National Education association here.

Many delegates are to spend the day at Coney and the stadium where four thousand children of the New York school entertain them with military pageants. Tomorrow evening Mr. Bryan will address the teachers on "New Meanings of the Peace Movement." He advocates training in the schools which makes for peace with honor. His address is strictly educational and wholly without political significance.

Other speakers on the general program are Ella Flagg Young, former superintendent of the Chicago schools; Charles R. Van Hise, president of the University of Wisconsin and John R. Kirk, president of the State Normal School of Kirksville, Mo. Secretary Durand W. Springer estimates an enrollment of thirty thousand delegates.

Run Mississippi Regatta Tuesday

St. Paul, Minn., July 3.—When the Mississippi Valley Power Boat Regatta starts here tomorrow, more than 100 boats will be ready for the contest. The event is the ninth annual regatta of the association. Last year the same event was rowed at Hannibal, Mo. This association's meet is the first of the year in the nation, and usually brings out the dark horses constructed during the year. The regatta lasts three days. William J. Connors of Buffalo, N. Y., is among the entrants. He entered the Enquirer and Dispatch, two fast boats. Commodore Blacktom entered the Alliance, Earl Schofield, St. Paul, entered Panama, the boat that placed first in Class A at Hannibal last year. Commodore Arthur L. Gibson, Red

25 families are now living on their places. 1000 acres of new land is now in crop. A dozen new homes are being built. The grass is green and pasture excellent. The roads are in good condition.

The school and Sunday School are in session. More land is being cleared and fences built. New houses and new crops are showing up.

A new community is rapidly developing and new capital being created, for Palmer Valley lands will soon be worth several times their present price.
