

We Consider Your Success Paramount to Our Own

WHY?

Because our success depends on the development of the communities served by us and the prosperity of their inhabitants.

We have made large investments for your convenience and comfort, in property which cannot be moved to some other locality if our business does not prosper as can yours—Therefore not only from public spiritedness but from business interests we wish to cooperate with you in anything tending to further the welfare of the community.

No proposition is too small to receive our cheerful and thorough consideration and active encouragement.

COAST DIVERS WILL CONTEST

San Francisco, July 3.—Swimmers from New York and many other eastern cities compete tomorrow in the first national girls' championship 100 yard swim. The competition is under the auspices of the A. A. U. The annual P. A. A. championships will be contested at the same time.

Denver, Colo., July 3.—Ad Wolgast let Freddie Welsh have everything his own way to get the champion into the ring at the stockyards here tomorrow night. Ad will try to let the Englishman have the kayo for good measure.

Welsh receives \$8,000 for his end. Wolgast takes a percentage of the receipts left after the promoters and expenses are paid. Both fighters have been training here for a week to acustom themselves to the altitude. While Welsh stipulated a no-decision bout, Ad has hopes of wearing the Englishman out before the fight goes its 15 rounds. The "Flying Dutchman" has staged several "comebacks" against second raters in Denver within the last six months and is mighty anxious to make a strong showing against Welsh.
