IF KIDNEYS ACT BAD TAKE SALTS

Says Backache is a sign you have been eating too much meat, which forms uric acid.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

OUTBURSTS OF EVERETT TRUE---By Condo

Rex Beach by Walt Mason

Among the world's great story tellers, those gifted, entertaining fellers, Rex Beach is stacking high; and I am always in my glory when I have got a new Beach story; it suits me more than pie. Red blood in all his yarns is seething; his characters are living, breathing, not dummies made of wood; strong men admire his kind of writing, of heroism, peril, fighting—it's always to the good. And Rex, when he is busy working, his trusty old typewriter jerking, until it busts a spoke, to have his inspiration quickened keeps all the air around him thickened with rich Tuxedo smoke. Say, have you noticed, gentle readers, how many famous men and leaders explain Tuxedo's worth? As man's great solace they expound it, and that's because they all have found it the best there is on earth.

REX BEACH
Famous Author, says
"I have smoked Tuxedo in sub-Arctic Alaska, at Panama and everywhere—would not smoke another kind."
