INSTRUCTOR AIDS PUBLIC

PENDLETON NATATORIUM HAS
EXPERT SWIMMER.

Son of William McMurray, O.-W.
Official in Charge.

Pendleton, July 6.—John W. McMurray, son of William McMurray, general passenger agent of the O.-W. R. & N., has been engaged as swimming instructor at the public natatorium in this city during the summer. He is one of the best amateur swimmers in the northwest, having won events in many swimming contests during the past five years. He will be at the tank from 9 until 12 in the morning and from 2 until 5 in the afternoon and at other hours by appointment. He will teach the advanced strokes such as the crawl and the trudgen as well as beginner's methods.

Young Mr. McMurray is a student of the University of Oregon, having entered there last February. His first appearance as a swimmer was in the Portland Christmas swim of 1911, when he won sixth in a field of 37 entries. In May, 1912, he entered the Oregon interscholastic meet at Eugene, winning the 20 yard, 40 yard and 100 yard swims. On August 4, 1912, he swam across Tillamook Bay, and in November of the same year won first in the 100 yard P. N. A. swim, making the time of 55 1-2 seconds. On Easter, 1913 he was first in the Spokane river swim when the water was only three degrees above freezing.

While in Ireland with his father in 1913 he won the Irish championship of 100 yards at Belfast in 61 1-5 seconds. On January 3, 1914, he swam from the Hawthorne to the Broadway bridge in Portland with the water at 37 degrees in 27 minutes. He won the 50 yard championship in the 1914 P. N. A. meet. Last year he was in California working and did not swim. In February of this year he won the Oregon state championship in the 100 yards. The last event he won was the swimming race at the natatorium here on the Fourth of July.

Hill Trial Is Held.
After a day of testimony and argument in the case of the State vs. Henry T. Hill, charged with larceny by bailee, Justice of the Peace Parkes has the determination of the case under advisement. The complaining witness is W. R. Ellis who had given Hill a mortgage on 600 sacks of grain to secure two notes for \$550 each, one due last fall and one this fall. Ellis alleges that Hill, without any authority sold the grain for about \$900. Several months afterwards, he alleges, he sent the first note cancelled, back to Ellis and notified him that the balance he had applied on the second note. James A. Fee is defending Hill and District Attorney Steiwer represented the state.

Remove Face Blemishes.

Pimples, blackheads, acne, tetter, ring worm and that dreaded eczema can be permanently removed from your face and body by Dr. Hobson's Eczema Ointment. It is no longer necessary to go around with an unsightly complexion and suffer the pain and annoyance that goes with unsightly ailments. Dr. Hobson's Eczema Ointment is a time tried, guaranteed remedy, good for infants, adults and aged who suffer with skin ailments. Buy a box today, start using at once. Money back if not satisfied. 50c at your druggist.—Adv.

Millions Less For Men's Clothes
London, June 20.—(By Mail)—About \$2,500,000 less will be spent for masculine summer clothes on account of conscription. This estimate is made by prominent London tailors who are wearing long faces. It is worse, they say, because the estimate represents the value of the cloth alone and does not include the profit of the tailoring.

The tailor trade was dead weeks before conscription passed, the tailors say because the bulk of ordinary buyers were making old raiment do until they found out whether the government would furnish their next suit of khaki. It will—and the tailors are blue.

HAVE DARK HAIR AND LOOK YOUNG

Nobody can Tell when you
Darken Gray, Faded Hair
with Sage Tea.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
