"Telephone It"

Why waste time and energy when a telephone will save both.

The greatest amount of work accomplished correctly, with the least amount of energy, in the shortest possible time is—EFFICIENCY—

A Telephone will do this. See us about it.

HOME INDEPENDENT TELEPHONE CO.

We Consider Your Success Paramount to Our Own

WHY?

Because our success depends on the development of the communities served by us and the prosperity of their inhabitants.

We have made large investments for your convenience and comfort, in property which cannot be moved to some other locality if our business does not prosper as can yours—Therefore not only from public spiritedness but from business interests we wish to cooperate with you in anything tending to further the welfare of the community.

No proposition is too small to receive our cheerful and thorough consideration and active encouragement.
