Myrtle Man Runs Over and Kills Girl

Marshfield, Or., July 10.—Florence Dye, aged about 22, was run down and killed last evening by an auto one mile outside of Myrtle Point. Chris Moller, the driver, was not held, as the officers are convinced that it was an accident. They claim he was new at handling a car. The woman crossed the road to escape the car and even stood at one side, but the machine swerved. The injured girl was brought to town in a machine, but lived only a few minutes.
