There is Japan tea, for instance.

You may drink it because you like tea—but it's possible that you would like some other tea-taste even better.

Schilling's Best offers you four distinct taste-types of tea, and a simple inexpensive way to pick your favorite.

Taking Big Chances.
It is a great risk to travel without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as this preparation cannot be obtained on the trains or steamships. Attacks of bowel complaint are often sudden and very severe, and everyone should go prepared for them. Obtainable everywhere.—Adv.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

PENDLETON WILL COME

DISCUSSION OF SPECIAL TRAIN UNDER WAY.

Long String of Autos May Substitute for Train to Races.

Pendleton, July 14.—Pendleton will probably send a delegation of business men to La Grande to help the people of that city "speed 'em up" at their annual motorcycle races on July 22 and 23. A movement was started today to that end and indications are very favorable for the forming of a big body of boosters to invade the Grande Ronde capital.

Will Church and E. E. Kirtley, who were here yesterday en route to Spokane, suggested an excursion to several business men and found ready response. La Grande has always been a good patron of the Round-Up and Pendletonians feel that this city should attend their big racing event. A special train may be secured but an automobile excursion is not unprobable.

Constipation and Indigestion.

"I have used Chamberlain's Tablets and must say they are the best I have ever used for constipation and indigestion. My wife also used them for indigestion and they did her good," writes Eugene S. Knight, Wilmington, N. C. Chamberlain's Tablets are mild and gentle in their action. Give them a trial. You are certain to be pleased with the agreeable laxative effect which they produce. Obtainable everywhere.—Adv.

Chautauqua Closes at Chehalis
Chehalis, Wash., July 10.—The first annual Chautauqua by the Ellison-White system closed a successful week here last night with the Kaffir Boy choir performance. In spite of the delays caused by the talent having to jump from Wenatchee to Chehalis and their troubles with the Great Northern accident in the mountains, the success was pronounced. About 50 guarantors have already agreed to take hold of the Chautauqua next year and the purchase of many tickets has been promised.
