Heroic Policeman Wins a Banker's Daughter as Bride.

Gladys Hulette and Howard Mitchell in "The Traffic Cop" at Sherry's theatre today only.

Many persons are prone to criticize the work done by the policemen in our large cities, seldom considering the dangers they encounter to guard our lives and property. When one dishonest officer of the law is caught grafting or engaged in some illegal occupation his act reflects upon the entire department, and the whole organization is frequently denounced because of one offender. Motion picture dramas have treated the policemen in a harsh manner, but it remained to the Thanhouser Film Corporation to emphasize the good qualities among the policemen in the Mutual Masterpicture, DeLuxe Edition, "The Traffic Cop," a five act human interest drama, featuring Howard M. Mitchell and Gladys Hulette, at the Sherry theatre.

The story is a gripping one of loyalty, in which a brave policeman wins the hand of a banker's daughter.

Alan Hale, Count Louis in the Metro Rolfe production of "The Purple Lady," once studied to be an osteopath, but soon decided that he would rather play doctor on the stage.

George Walsh, Fox leading man, and Seena Owen, of the Triangle forces have been married since February 5, it became known in Los Angeles last week.

Should Sloan's Liniment Go Along?

Of course it should! For after a strenuous day when your muscles have been exercised to the limit an application of Sloan's Liniment will take the soreness and stiffness away and get you in fine shape for the morning. You should also use it for a sudden attack of toothache, stiff neck, backache, stings, bites and the many accidents that are incidental to a vacation. "We would as soon leave our baggage as go on a vacation or camp out without Sloan's Liniment." Writes one vacationist: "We use it for everything from cramps to toothache." Put a bottle in your bag, be prepared and have no regrets.—Adv.

"Honor's Altar" Exposes Darker Side of Wealth.

That power and luxury do not always spell satisfaction and pleasure is shown in the Ince-Triangle drama, "Honor's Altar." This play, in which Bessie Barriscale, Lewis Stone and Walter Edwards are starred, will appear at the Arcade theatre today and tomorrow. Walter Edwards and Bessie Barriscale have the roles of a self made captain of industry and his wife. He gets into a gay society, where he is treated with consideration on account of his wealth. He thinks that his wife is not brilliant enough to shine in this environment. Lewis Stone then appears on the scene in the dining room of a club. Edwards hears Stone make the boast that he is absolutely without any sense of honor.

Miss Barriscale appears to advantage as the unsuspecting loving wife, who accepts without question the man without honor as a friend of her husband. Stone takes Miss Barriscale for an automobile ride and manages to break down near a notorious roadhouse. Not knowing the nature of the place, Miss Barriscale consents to enter. There is a strong contrast between the confidence of the good woman and the conflicting feeling of the unscrupulous man of the world. Shall he call up the husband and so injure the reputation of the wife? Stone plays well the fight in the mind of the boasted man of no honor. But the simple trust shown by Miss Barriscale turns the scale, and he gets another auto and takes her home.

Farrar Feature Friday "Maria Rosa" third of the photographs made by Miss Geraldine Farrar for the Jesse L. Lasky Feature Play company, will be the attraction at the Arcade on Friday and Saturday. It was during the making of this picture that Miss Farrar met Lou Tellegen, who was also at the Lasky studios appearing for the camera. This was the beginning of a romance which had its culmination in their marriage in New York last winter. It is a Paramount picture.

Man Gone 11 Years Is Dead Says the Court

Baker, July 18.—Because John L. Huffman, formerly of Canyon City, has not been seen nor heard from since he mysteriously disappeared 11 years ago, Judge Gustav Anderson ruled this morning that he is dead, that Mrs. Lillian Huffman is a widow and as such is entitled to \$2,000 from the Woodmen of the World, this be-

ing the amount of the policy carried.

The case was argued yesterday afternoon by District Attorney Godwin, representing the Woodmen of the World and John L. Rand for Mrs. Huffman, on the motion for dismissal made by Mr. Godwin.

So successful is Juanita Hansan in "The Secret of The Submarine" that as soon as this serial is completed she is to have a company of her own.

Unfortunately, the world is not full of good tea. You must choose with care. Those many women who use Schilling's Best know that the cost of good tea is very, very little. But this is not the only reason for their preference. Another reason—a very real reason—is that each of the four taste-types (Japan, English Breakfast, Ceylon, Oolong) brews tea of indescribable charm.
