## ARCADE

Geraldine Farrar in "Maria Rosa."

"Maria Rosa"—the photoplay that made Geraldine Farrar a bride—will be the attraction at the Arcade theatre tonight and tomorrow. This is the third production made by Miss Farrar for the Jesse L. Lasky Feature Play company, the others being "Carmen" and "Temptation."

It has been called "the photoplay that made Geraldine Farrar a bride," because it was while Miss Farrar was at the Lasky studios in California last summer making this production that she first met Mr. Lou-Tellegen, the striking young actor, whom she married in New York several months ago. The romance had its start under the clear blue skies of Southern California while the two artists were in each others company daily. Lou-Tellegen was at the Lasky studios at

the same time appearing in picture version of "The Unknown" and "The Explorer."

In "Maria Rosa," a Paramount picture, Miss Farrar will have a part quite different from the role of "Carmen" or Rene Dupree in "Temptation." In this Spanish tragedy, taken from the play by Guido Marburg and Wallace Gillpatrick and founded on the story by Angel Guimera, Miss Farrar appears as a young Spanish peasant girl, for whose hand two admirers are in eager contest.

### Should Sloan's Liniment Go Along?

Of course it should! For after a strenuous day when your muscles have been exercised to the limit an application of Sloan's Liniment will take the soreness and stiffness away and get you in fine shape for the morrow. You should also use it for a sudden attack of toothache, stiff neck, backache, stings, bites and the many accidents that are incidental to a vacation. "We would as soon leave our baggage as go on a vacation or camp out without Sloan's Liniment." Writes one vacationist: "We use it for everything from cramps to toothache." Put a bottle in your bag, be prepared and have no regrets.—Adv.
