SCENE from "DORIAN'S DIVORCE"

SHERRY'S

At Sherry's.

Lionel Barrymore, who is conceded to be the most versatile member of the great Barrymore-Drew families of noted stage stars, will be seen on the screen here at the Sherry theatre on Sunday only in "Dorian's Divorce," a five-part Metro wonderplay, produced by Rolfe Photoplays, Inc. Grace Valentine, the clever and beautiful young dramatic artist, who has been seen in many previous Metro productions, is starred with Mr. Barrymore.

During the greater part of his stage career Lionel Barrymore was seen in serious and heavy dramatic parts.

Mr. Barrymore's appearance in the stellar role in "A Yellow Streak," which was released by Metro late last season, brought his versatility to the foreground. A resplendent role was a supreme artist in this line. The production created a vast amount of favorable comment, and the editor of

one of the leading motion picture publications in the world, declared it to be the finest example of photo-dramatic art produced during the year.

Sherry Theatre Special News.

Today royalty makes us a one day visit—Francis X. Bushman and Beverly Bayne crowned king and queen of the silent drama and Charlie Chaplin, the king of comedians. Bushman and Bayne in their very latest, "A Virginia Romance" and Charlie Chaplin in "The Floorwalker," the first of the Mutual-Chaplin specials.

Patrons of Sherry's will have a rare treat on Saturday. Prices as usual.

Will Decide Championship.
Medford and Klamath Falls will settle the baseball championship of Southern Oregon on the Medford grounds Sunday.

Douglas County Will Appeal.

R. M. Buttle secured a judgment for \$1300 from Douglas county for injuries sustained while riding on a stage between Drain and Scottsburg. A new trial was denied and the county has appealed to the supreme court.

ARCADE

Douglas Fairbanks Prevents Train Wreck.

In the Fine Arts-Triangle play "His Picture in the Papers" it looked easy for Pete Prindle (Douglas Fairbanks) to get his portrait displayed on the front pages of all the New York papers—yes, it looked almost too easy. Here's what the hero actually did before he put through the proposition, gained a half interest in his father's firm and was awarded the hand of the girl he loved; wrecked an auto and went to the hospital, was thrown off a train, put out a champion middleweight and fought a losing fight with two husky policemen. At last he won by fighting off a band of yeggmen and saving a train from being wrecked.

In these days of strenuous advertising this comedy is interesting as showing how a man eager to attain notoriety may fall down time after time only to attain it, when he is not looking for it. Fairbanks makes an attractive picture as a lively youth who prefers a good, juicy beefsteak to the desiccated foods that his rich father exploits through the press. He also has a preference for boxing instead of poring over books, so he gets in bad with his system loving father. Then he meets the girl of his choice in a restaurant. He meets the father, expecting his congratulations on his engagement to the daughter. He is not ruffled at all when the parent tells him first to get a half interest in his father's business. The elder Prindle happens to be worked up over Pete's derelictions and gives him \$100, with the offer of the partnership on condition that he get his picture in the papers. Then the fun starts. This is the big attraction at the Arcade for Sunday.

Date Set for Rate Hearing.

SAYS HOT WATER WASHES POISONS FROM THE LIVER

Everyone should drink hot water with phosphate in it, before breakfast.

To feel as fine as the proverbial fiddle, we must keep the liver washed clean, almost every morning, to prevent its sponge-like pores from clogging with indigestible material, sour bile and poisonous toxins, says a noted physician.

If you get headaches, it's your liver. If you catch cold easily, it's your liver. If you wake up with a bad taste, furred tongue, nasty breath or stomach becomes rancid, it's your liver. Sallow skin, muddy complexion, watery eyes all denote liver uncleanness. Your liver is the most important, also the most abused and neglected organ of the body. Few know its function or how to release the dammed-up body waste, bile and toxins. Most folks resort to violent calomel, which is a dangerous, salivating chemical which can only be used occasionally because it accumulates in the tissues, also attacks the bones.

Every man and woman, sick or well, should drink each morning before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, to wash from the liver and bowels the previous day's indigestible material, the poisons, sour bile and toxins; thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Limestone phosphate does not restrict the diet like calomel, because it can not sallyate, for it is harmless and you can eat anything afterwards. It is inexpensive and almost tasteless, and any pharmacist will sell you a quarter pound, which is sufficient for a demonstration of how hot water and limestone phosphate cleans, stimulates and freshens the liver, keeping you feeling fit day in and day out.

Salmon Run Continues.

The run of salmon is reported from Astoria to be steadily on the increase. The reports, however, that the canneries are all overstocked is an error.

Here's a La Grande man's statement. And it's for La Grande people's benefit.

Such evidence is convincing. That's the kind of proof that backs Doan's Kidney Pills.

G. M. Tall, retired farmer, N. Second St., La Grande, says: "We have used Doan's Kidney Pills in our family for a good many years and in every instance they have never failed to give great satisfaction. Whenever I notice my kidneys are not acting as they should, I take a few doses of Doan's Kidney Pills and they soon relieve the trouble. I couldn't recommend anything better than Doan's Kidney Pills for kidney disorders."

IMAGINE A BUILDING

in Spanish Mission style with white walls, great handsome double-doors of bronze and rich cathedral-glass windows!

Let us go in!

As we enter a flood of golden light reveals a beautiful marble hall. To our right and left are magnificent marble-walled corridors lighted with the same soft glow from windows of art glass.

This building is the La Grande Community Mausoleum, the hall in which we stand is the chapel where burial services may be held without thought of weather conditions, and the corridors on either hand protect from all desecration the forms of those we love.

Upon marble ledges are masses of flowers, mute witnesses to the tender thought of those who mourn. Great bronze gates guard the privacy of the family rooms.

Here all is peace! No tipsy head-stones, no heaped-up mounds, no sunken graves, no weedy evidences of neglect! All is quiet, reverent and beautiful. This is civilization's final tribute to its loved dead! This is the Community Mausoleum!
