SWINE PRICES UP A TRIFLE

FIRMER TONE FOUND AT PORTLAND MONDAY.

Monday's Run of Cattle Was Rather Small.

Portland, July 24.—Small supplies continue in the mutton and lamb division of the North Portland market and the general trend of the trade continues favorable. Full prices are being offered for stock that is not strictly No. 1 stuff.

Firmer tone and higher prices were forced for swine at North Portland with a smaller supply showing than last Monday. Trading started well with an advanced price, but this was expected at the closing of last week's trading.

With the small runs all through the live stock market, the trend of the trade at North Portland was somewhat improved. General strength was shown in practically all lines and for hogs and cattle slightly better values were indicated.

The run of cattle at North Portland over Sunday was disappointing although general expectations were for a smaller one than last week.

IF BACK HURTS BEGIN ON SALTS

Flush the Kidneys at once when Back-achy or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of swelling, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.
