## TAX ROLL IS BEING SHAPED

PRELIMINARIES TO NEXT COLLECTIONS START.

Odds and Ends From the Court House Offices of News Interest.

Union county's taxroll is being extended preliminary to the next year's tax collections. With assessments out of the way, Assessor U. G. Couch's office force is concerned with the extension department now. Miss Hattie McMurray is assisting in the work, and Mr. Couch expects to have the roll complete early in September.

**Court House Notes.**  
Alleging that her husband contributed but \$5.00 from January 1914 to date for the support of herself and four minor children, Laura Owens has filed suit for divorce in Circuit court. She seeks care and custody of the children, and sets out that her husband drank freely, and when intoxicated abused the family and "spent his money for intoxicants." They were married in Baker in 1892.

Jessie O'Brien is another woman who seeks divorce, she setting out in her complaint that her husband John O'Brien has deserted her. They were married in Walla Walla in 1909 and have no children.

Anna Smith has obtained judgment in a suit against Jesse Brooks, a foreclosure proceedings.

Suit to recover a total of nearly \$3,000 from Attorney Frederick Steiwer, of Pendleton, has been filed by Henry T. Hill of this city, the proceedings beginning in the Circuit court of Union county. The litigation involves some land in Umatilla county.

J. A. McCarthy has been granted judgment in a foreclosure suit against C. A. Hawk, Mrs. Hawk, N. J. Mansager and the Legal Adjustment Co. The suit was brought to collect about \$100 and interest thereon from September, 1912, to date.

While registration books are open, and have been since the primaries, no one is taking advantage of the fact. They close 30 days before the general election.

Judgment has been rendered to the La Grande Real Estate association against the Union County Fair association for approximately \$10,000 and interest for three or four years. Foreclosure proceedings were instituted recently and judgment has now been granted.

**Look Good—Feel Good.**  
No one can either feel good nor look good while suffering from constipation. Get rid of that tired, drabby, lifeless feeling by a treatment of Dr. King's New Life Pills. Buy a box today, take one or two pills tonight. In the morning that stuffed, dull feeling is gone and you feel better at once. 25c at your druggist.—Adv.

**Biliousness and Stomach Trouble.**  
"Two years ago I suffered from frequent attacks of stomach trouble and biliousness," writes Miss Emma Verbyke, Lima, Ohio. "I could eat very little food that agreed with me and I became so dizzy and sick at my stomach at times that I had to take hold of something to keep from falling. Seeing Chamberlain's Tablets advertised I decided to try them. I improved rapidly." Obtainable everywhere.—Adv.

### Hot Water for Sick Headaches

Tells why everyone should drink hot water with phosphate in it before breakfast.

Headache of any kind, is caused by auto-intoxication—which means self-poisoning. Liver and bowel poisons called toxins, sucked into the blood, through the lymph ducts, excite the heart which pumps the blood so fast that it congests in the smaller arteries and veins of the head producing violent, throbbing pain and distress called headache. You become nervous, despondent, sick, feverish and miserable, your meals sour and almost nauseate you. Then you resort to acetanillide, aspirin or the bromides which temporarily relieve but do not rid the blood of these irritating toxins.

A glass of hot water with a teaspoonful of limestone phosphate in it, drunk before breakfast for awhile, will not only wash these poisons from your system and cure you of headache but will cleanse, purify and freshen the entire alimentary canal.

Ask your pharmacist for a quarter pound of limestone phosphate. It is inexpensive, harmless, sugar, and almost tasteless, except for a sourish twinge which is not unpleasant.

If you aren't feeling your best, if tongue is coated or you wake up with bad taste, foul breath or have colds, indigestion, biliousness, constipation or sour, acid stomach, begin the phosphate hot water cure to rid your system of toxins and poisons.

Results are quick and it is claimed that those who continue to flush out the stomach, liver and bowels every morning never have any headache or know a miserable moment.
