A Winsome and Entirely Adorable American Girl,
the Sort of a Girl You Read About But Have
Never Seen--A Storied Heroine

IN

"PEGGY"

Bring the Kiddies--they can't resist Billie Burke

Statement by Mr. Ince on "Peggy"

In Los Angeles "Peggy" has crowded the Majestic Theater for four weeks. Billie Burke and "Peggy" make an irresistible combination, and I feel more than amply rewarded by the welcome the public has accorded to my work with Miss Burke. I truly believe that "Peggy" will continue to be a success with photoplay audiences for years to come, and that a second and third view will reveal many new and wonderful beauties.
