WALLOWA LAKE TO BE FILMED

SUNDAY WILL BE BIG DAY IN RESORT TOWN.

Free Melon Feed Is Part of Celebration at Joseph Sunday.

One of the big events in local history will occur next Sunday afternoon when Wallowa lake with its background of towering, snow capped mountains will be subjects of the moving picture operator's mechanism, says the Joseph Herald. The first film to be taken of Wallowa county scenery, it is hoped by the members of the Joseph Commercial club, sponsors of the enterprise that as many residents of the county will be present as can conveniently and to further enliven the picture and lend prosperity to scenic enchantment it is desired that automobiles be brought hither in as great a number as possible.

To induce the crowd to be with us on this date the club has arranged for a free melon feed, believing that the dictates of one's stomach frequently have much to do with where we spend our time, and that the biggest appetites may be fully served the committee having the affair in hand has ordered several carloads of luscious melons of every variety.

Picnic grounds have been arranged for at the foot of the lake, where at about 2 o'clock in the afternoon an operator representing the Pathe Exchange of Portland will start to unwind his machine. It is then that the services of as many of the county population as can be present will be desired, thus adding to the scenic features of the picture local life which will emphasize the general scheme with a degree of appreciation of Wallowa lake.

Large delegations are expected at the lake from every part of the county, hearty co-operation being promised from the leading men of the several towns of the valley. In all likelihood the largest crowd present at the lake for a long time will be present and you should be one of them if busy care can possibly be laid aside for the brief time of Sunday afternoon.

Look Good—Feel Good.

No one can either feel good nor look good while suffering from constipation. Get rid of that tired, draggy, lifeless feeling by a treatment of Dr. King's New Life Pills. Buy a box today, take one or two pills tonight. In the morning that stuffed, dull feeling is gone and you feel better at once. 25c at your druggist.—Adv.

Imports from Alaska in Fiscal Year.

Washington, July 25.—Alaska's sales to the United States in the fiscal year 1916 aggregated nearly \$6,000,000, a sum double the annual average since 1912 and only exceeded by those of 10 countries when measured by their sales to us in the last year prior to the great war. In addition to this Alaska shipped to us in 1915-16 gold valued at \$3,000,000 and silver to the value of \$760,000, both from its own mines.

The predominant feature of the year's trade, according to an analysis made by the Bureau of Foreign and Domestic Commerce, Department of Commerce, was the rise of copper to first place among Alaska's export staples, thereby supplanting salmon and gold as the leading items. Receipts of copper in ore, matte and regulus from Alaska aggregated 117 million pounds valued at 26 1-2 million dollars. This is four times the average for the preceding three years and exceeds the combined imports of that class from Chile, Cuba, Canada, and Mexico, the leading foreign sources of this form of copper.

Canned salmon shipped to the United States in the last fiscal year amounted to 216 million pounds valued at 18 1-3 million dollars, an increase of 24 million pounds over 1915 and of 40 million over 1914.

The shipment of \$16,200,000 worth of Alaskan gold to domestic ports was larger by \$1,000,000 than the total for 1915 and by \$4,000,000 than that for 1914. Silver shipments, valued at \$760,000 in 1916, were \$500,000 more than in 1915 and \$600,000 more than in 1914.

Taking Big Chances.

It is a great risk to travel without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as this preparation cannot be obtained on the trains or steamships. Attacks of bowel complaint are often sudden and very severe, and everyone should go prepared for them. Obtainable everywhere.—Adv.

If You Like to Play Golf Go to Illinois Elgin, Ill., July 28.—Like to play golf? Here's how: Come to Illinois and go crazy. Superintendent H. J. Gahagan of the state hospital for the mentally deficient here, urges golf for the patients, not only physically but mentally. "Golf is of great benefit to the patients, not only physically but mentally," Superintendent Gahagan said today. "The game is a popular amusement here. Due to the absence of intense excitement it is helpful to those with mental disorder. It gives them the exercise essential, yet they do not feel that it is part of their duty or treatment."

Blousness and Stomach Trouble.

"Two years ago I suffered from frequent attacks of stomach trouble and biliousness," writes Miss Emma Verbyke, Lima, Ohio. "I could eat very little food that agreed with me and I became so dizzy and sick at my stomach at times that I had to take hold of something to keep from falling. Seeing Chamberlain's Tablets advertised I decided to try them. I improved rapidly." Obtainable everywhere.—Adv.
