

WILL THE OLD MASTER LAST

NEW YORK GIANT HERO NOW A MANAGER

Fans Fear Cincinnati Grilling Will "Break Heart."

The "old master" is to go back to Cincinnati, his first big league berth, as manager of the Reds. Charlie Herzog, star shortstop of the National league and retiring leader of the Reds, goes to the Giants in the trade. It's a question as to whether Matty will falter and crack under the same baleful influence that broke the hearts of Kelley, Ganzel, Griffith, O'Day, Tinker, Herzog and other smart baseball strategists who tried their hands as managers of the Cincinnati Reds.

SPORT POTPOURRI.

Waldo Geddes pitched for Pocatello when that team defeated the Kansas City Red Sox which were seen in action in La Grande recently. A home run by a Pocatello player helped Geddes get away with the victory.

Right now salmon fishing is unsurprising fishermen's attention. Each Sunday during the latter part of July and August will see better conditions prevalent for dragging out the monsters.

The baseball season being about over for this summer, ball players will now be ready to enjoy fishing or go to church as the case may be instead of having to fight baseball.

Ten crates of China pheasants have been liberated this week at Camas creek and Birch creek in Umatilla county. The birds were taken from Pendleton in the William Roesch automobile by R. H. Horne and deputy game warden Tonkin. The birds were in fine condition after the long ride.

The new coach of football at O. A. C. will send out a call to all men to meet on the College campus September 1. There will be no training camp at Newport. Because so many veteran players were graduated last year the team will be made up quite largely of new men. This gives a good opportunity to freshmen and others interested to try for a place on the team.

Perhaps there is no connection between the items, but last week's Lostine Reporter announced in one column that a bear and three cubs had been seen near town, and in another column it was reported that Editor Howard W. Shutt had left town. Howard is of a timid, retiring disposition, and some of his friends fancied that perhaps he fled when the bear story reached town. However, the mother bear and one cub were killed by Leonard Harris after a rough and tumble experience on the hillside, and the other two cubs were captured. —Enterprise Chieftain.

Elgin and Enterprise, according to many, undisputedly the two best baseball clubs in the eastern half of the state, will fight it out for the championship in a series of games, the first of which will be played in Elgin next Sunday afternoon. Arrangements for the games were made the first of the week and while only two games have been provided for a third will be played if necessary. The coming games will develop unusual interest in Union and Wallowa counties and record breaking crowds are expected. Elgin won the pennant of the Valley league with ease and is unqualifiedly the best club in Union county, while the same can be said of Enterprise in Wallowa county.

GOLF ENTHUSIASTS BUSY

LIKELIHOOD OF LINKS HERE NOT REMOTE NOW.

Proposition First Agitated a Year Ago, Brought up Once More.

La Grande as a golf center is once more seriously considered. A year ago the propaganda was actively revived in hopes of finding suitable territory on which to build the links, but the movement died aborning. Y. M. C. A. Secretary King, who is a golf enthusiast, is discussing the matter informally with possible fans and finds much interest manifest. While the grounds would be but nine holes, possibly, at the outset, it is deemed feasible to obtain lease on suitable territory for nominal fees and then increase the facilities from time to time as conditions require it.

MOTOR NEWS.

L. C. Smith expects a carload of Dodges to arrive for distribution next week.

C. A. McCrary expects to go to Portland soon and bring home a new Grant.

Possibility of putting on an automobile race meet at the Speed 'Em Up tracks is being discussed. Washington points are interested and promise to bring fast cars if such a venture is tried out.

Walter Zweifel and family have returned from nearly a month's sojourn and travel in the Willamette valley. They visited a score of places and had a most enjoyable automobile trip.

W. J. Hancock, who drives a seven-passenger Chalmers, has been in Joseph arranging for a proposed passenger carrying schedule between La Grande and Joseph.

Miss Ruth Gaskill is one of the happiest ladies in La Grande. As a birthday present, a few days ago, her father,

Fred Gaskill, presented her with a National 12. The car is a fine appearing "boat" and Miss Gaskill is justifiably proud of her gift.

Charles Reynolds Thursday brought home a second-hand Hupmobile which he purchased in Portland. Mr. and Mrs. Reynolds and son "Sammy" went to Portland early in the week. Mrs. Reynolds and son remaining for a brief stay and Mr. Reynolds driving the car home alone.

Some notion of automobile quantity was gained by F. E. Oxner last Sunday evening. He sat in his store on Adams avenue and for 30 minutes, between 6 and 6:30 p. m. counted 130 automobiles pass his store, and two horse-drawn vehicles rambled by in the same space of time.

Mrs. L. F. Proebstel, formerly of La Grande but now living with her two sons near Yuma, writes that the "Ocean to Ocean" highway which runs through southern Arizona and past their home, is now practically abandoned by machine travel on account of the heated season. The thermometer now registers regularly

from 105 to 110 with a drop of about 30 degrees during the nights. This is of course too hot for tourists. Although there is a great amount of auto traffic on the "Ocean to Ocean" highway during the normal seasons, Mrs. Proebstel writes.

County Commissioner C. A. Galloway, wife and young son returned Saturday evening from an extended auto trip to points in Montana and through Yellowstone National park, and report a delightful trip free from accidents and unnecessary delays. They made the trip in Mr. Galloway's Willys-Knight auto, and made an average on the entire trip of 18 1-3 miles to the gallon of gasoline, which considering the numerous mountain roads they were compelled to travel is an excellent record.

Writing from Portland where the family has gone on a motoring tour, Dr. H. S. Brownton of this city says: "We arrived here without mishap or car trouble, Tuesday night, and are certainly pleased with the behavior of our Maxwell '25." Found about 35 or 40 miles of very rough, rutty roads between Pendleton and Lone, otherwise as good as could be expected for country roads. The Multnomah county end of the highway is grand beyond expression. The Hood River county end is about as nature made it. We expect to leave for Newport in the morning."

A. B. Conley, wheat king of the Grande Ronde, has for many years been among those who bought new farm tools and machinery as fast as it was manufactured and introduced; some of the very newest machinery for farming purposes can be found on some of his many ranches at any time.

He has now assumed a new role—he is the first in the Grande Ronde to buy a Twin Six Packard. B. C. Hamilton, Twin Six Packard agent in this valley, closed a deal with Mr. Conley a week ago for this car and Mr. Conley has been enjoying his splendid car but a comparatively short time yet is cussing himself because he didn't get one sooner.

After devoting a column to the Speed 'Em Up races, the Elgin Recorder concludes:

"The place chosen for the track is ideal for this purpose and considering the fact that what work has been done on it was done this spring the track is an exceptionally good one. By another year, with the work done for a starter and the expense of building grand stand and fences eliminated this track will be second to none in the way of a dirt track in the whole country. As it is it is claimed that one world's record for a mile and a half dirt track was established this year. It is hoped that by another year the track can be placed in condition for auto races also, when more interest will be taken in races there, as there are some who would be more interested in auto races than in motorcycle races."

Another automobile accident oc-

PACKARD FOOLS 'EM WITH FIVE DELIVERIES.

Star Southpaw of Cubs and the Methods of Pitching Five Deliveries. (1) Side and Underhand. (2) Side-arm. (3) Straight Overhand. (4) Underhand. (5) Crossfire.

Five different pitching motions blended in making Gene Packard's slab repertoire a baffling proposition for hostile batters. The wee southpaw of the Chicago Cubs ranks among the best in the majors and now is running

curréd last Thursday afternoon on the Phillips creek grade of the Elgin-Walla Walla road, in which the auto plunked over the bank and dashed down the mountain side, carrying Mr. and Mrs. E. Harold, of Albion, Washington. The car turned over soon after leaving the grade, throwing both occupants out, and that both were not killed instantly or fatally injured seems miraculous. Mr. Harold's back was severely wrenched, a number of ribs were fractured and he sustained several bruises. Mrs. Harold sustained a few minor scratches about the face and head, but aside from that escaped unscathed. Following the two were their daughter and son-in-law, Mr. and Mrs. Springer, who immediately loaded the injured couple into their car and reached Elgin as quickly as possible, where Dr. Whiting was called and rendered the necessary medical and surgical assistance. The accident occurred only a short distance from the point where the Ford belonging to Wallowa parties was totally wrecked the week before.—Elgin Recorder.

BE OPTIMISTIC.

Here's Good News for La Grande Residents.

Have you a pain in the small of the back?

Headaches, dizziness, nervous spells?

Are you languid, irritable and weak?

Annoyed by urinary disorders?

Don't despair—profit by La Grande experiences.

La Grande people know Doan's Kidney Pills—have used them—recommend them.

Here's a La Grande resident's statement:

Mrs. A. A. Couch, 1322 Jackson avenue, La Grande, says: "It has been quite a few years since I have had occasion to take a kidney medicine, but speaking from past experience, I know Doan's Kidney Pills are a good reliable remedy for kidney disorders. Whenever I have an opportunity to recommend Doan's Kidney Pills, I do."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Couch had. Foster-Milburn Co., Props., Buffalo, N. Y.

National Tennis Champ on Way East

Lake Minnetonka, Minn., July 29.—William A. Johnson, tennis champion of the United States, appeared here today in the Northwestern tourney at Deephaven. Johnson is en route east to defend his title. His home is at Portland, Ore.

Other experts appearing on the courts today were H. V. D. Jones,
