will be seen in the leading role. Aply supporting her are Owen Moore, Mary Pickford's husband, and George Fawcett, who both have a number of successes to their credit also. "Betty of Graystone" is a thrilling and romantic play that touches the very heart-strings. If you enjoy love and adventure stories you'll surely enjoy this picture. There is a lot of human interest and sentiment in it, of the kind that makes a lasting appeal.

Scene from "THE SPELL OF THE YUKON" At Sherry's Tomorrow.

SHERRY'S

"The Spell of the Yukon," a new Metro wonderplay produced by Popular Plays and Players under the direction of Burton King, will be seen at the Sherry theatre Sunday only. "The Spell of the Yukon" is another picture adapted from the poem of the same name, by Robert W. Service, whose "Shooting of Dan McGrew" proved to be such a good film. The new picture reproduces the rough, wild life of the Alaskan gold-fields, the devil-may-care spirit of the dance halls and gambling dens, and then, as a foil to all this, the culture and refinement of New York's smart set. There are thrilling scenes of the stock market, when fortunes are won and lost in an hour, and then there is the wholesome influence of a girl and boy love affair. Edmund Breese is the star of the production, and Christine Mayo is his leading woman.

Two More La Granders Win.

In addition to Fred Monkhouse, of La Grande, who was number 85 in the Colville land drawing, there were two others from La Grande who were in the list of the fortunate ones. They are: Heber W. Conrad and Alvah A. Crowley. The first named was about

the 125th and the last was the 160 class.

Forever Maintained Without Further Cost To You

IN our previous advertisements we have shown you that the magnificent Community Mausoleum soon to be erected in La Grande will be a permanent structure. Perhaps it has occurred to you that repairs would be needed at some time in the future no matter how careful the construction and you have wondered how the expense would be met.

HERE is the explanation: For every crypt or tomb in the Mausoleum the Portland Mausoleum Company sets aside, in trust, the sum of Ten Dollars as part of an endowment fund, thus a building of 150 crypts will have an endowment fund of Fifteen Hundred Dollars.

EACH subscriber to the Community Mausoleum automatically becomes a member of a Benevolent Association which is the absolute owner of the Community Mausoleum. Thru a Board of Trustees, elected from among themselves, the members of the Association administer the affairs of the Mausoleum, including the trust fund and its increase. In this way the first cost of crypts or tombs is the only cost.
