NEW ONE COMING

Peggy Hyland, Noted English Favorite, Makes American Photoplay Debut in "Saints and Sinners."

Miss Peggy Hyland, the beautiful and talented little English actress, whose recent arrival in America to appear exclusively on the screen under the management of the Famous Players Film Co., has created considerable newspaper comment, makes her debut to the American public in a thrilling picturization of Henry Arthur Jones' noted dramatic success, "Saints and Sinners." This current release on the Paramount Program will be shown at the Arcade today and tomorrow.

It is a matter of odd interest that Miss Hyland, who has distinguished herself abroad in the stellar roles of many stage successes, should appear in her first American screen offering in an Englishman's play, and a drama moreover, that won its first success in Europe, repeating its stage triumph later in the United States. Miss Hyland, in the leading role of Letty Fletcher, the only daughter of the Minister of Steepleford, went with a selected cast of Famous Players, headed by Director Jas Kirkwood, to the most beautiful sections of Florida for the purpose of filming this superb drama.

When the story opens, Letty is a contented little village maid, living with her father and Lydia, their housekeeper. She is the life of the little family, and by her innocent pranks keeps the two old folks young. George Kingsmill, a farmer, is vainly calling on Letty for her hand in marriage, to the regret of her father, the Minister. Letty, like most country girls, has a desire to see the city, and is attracted to Captain Fanshawe, a gentleman of worldly experience and questionable reputation. The Rev. Fletcher and George finally persuade her to refrain from meeting the interloper again.

At the annual church picnic, Fanshawe again appears and invites Letty to accompany him for a row on the river as he intends to leave the town forever. It becomes very late; Fanshawe offers to take her home by train, which she also consents to. However, the Captain secures tickets for New York, not for Steepleford. Letty realizes her predicament too late, she is already on her way.

Through the treachery of Hoggard, their only witness, the Minister loses his position at the church. George after a journey to the west, returns with a fortune and marries Letty. Happiness again reigns supreme when the congregation reinstates their beloved preacher. —adv.

Should Sloan's Liniment Go Along?

Of course it should! For after a strenuous day when your muscles have been exercised to the limit an application of Sloan's Liniment will take the soreness and stiffness away and get you in fine shape for the morrow. You should also use it for a sudden attack of toothache, stiff neck, headache, stings, bites and the many accidents that are incidental to a vacation. "We would as soon leave our baggage as go on a vacation or camp out without Sloan's Liniment." Writes one vacationist: "We use it for every-

thing from cramps to toothache." Put a bottle in your bag, be prepared and have no regrets.—Adv.

SHERRY'S

AT SHERRY'S

Many patrons of the Photoplay will remember charming Flo Lawrence. Miss Lawrence has not been seen for many months and it remained for Blue Bird to coax her from retirement and in the part of a diplomatic

spy in "Elusive Isabel" she has an opportunity to display her talents to advantage. Watch for the Blue Birds they are certainly progressive in all that pertains to a fine photoplay.

Alcohol Case Appealed.

An appeal to the Supreme court has been made on Judge Morrow's decision as to the quantity of alcohol that may be brought into the state and incidentally involving the validity of the prohibition law.
