MOST CROOKS UNMARRIED

Cleveland, Aug. 2.—After an investigation of 400 criminal cases, James J. Lind, Cleveland chief of police prosecutor, has found out that nine-tenths of all crooks are unmarried. Two-thirds of the men jailed were between the ages of 21 and 30, according to his figures, available here today. "It seems that conditions in unmarried life tend to make men criminals or that persons with criminal instincts are inclined not to marry," concluded Lind after his investigation. "In 400 cases which passed through my office there was no definite economic condition that would result in crime. Only about half of the married prisoners had children and many of the married ones were separated from their families. As a rule women who take up crime are also single or at least separated from their husbands or families. "This is hard to prove because women prisoners are not inclined to tell the truth. When a woman lands in jail she generally claims to be married and says if her husband hears of her predicament he will forsake her forever. She also claims to be the mother of several small children, dependent on her care—all of which nine times out of ten, is untrue. If a married man gets into trouble he generally commits a real crime, not a misdemeanor. If a married man with children finds his way behind the bars, it is usually money troubles which have placed him there. But if any particular class of the human family is a menace to the rest, unmarried men are the guilty ones. The way to lessen crime is to advocate early marriages. What a man needs to keep him out of trouble is a good home environment. If mothers realized this they would cease opposing early marriages."

Monkey Used In Tests
Chicago, Ill., July 24.—A monkey is the latest addition to Chicago's health department equipment. It is to be the subject of infantile paralysis tests as prescribed by Dr. Simon Flexner of the Rockefeller institute. The monkey is 3 years old and Health Commissioner John Dill Robertson says he has christened it Robert. "We are going to experiment on Robert with the Dr. Flexner infantile paralysis tests," Dr. Robertson said. "Robert will be kept in a cage in the health department and we hope to be enlightened concerning infantile paralysis by carefully observing the Flexner tests on the monkey." Dr. Robertson said that one new case of infantile paralysis was reported and confirmed during the day. It is in the vicinity of West Twelfth and South Halsted streets. With the death of Mildred Borchert, aged 10 years, of Hinckley, De Kalb county, which was reported to the State Board of Health by Dr. C. E. Crawford of Rockford, inspector of the Board, the death toll in Illinois from infantile paralysis totals four.

Most Rev. James J. Keene, Archbishop of Dubuque, will deliver the sermon at the Pontifical mass. Rt. Rev. Among the notable speakers here are: James A. Flaherty of Philadelphia, supreme knight; John H. Reddin of Denver, supreme master of the fourth degree; William P. Larkin of New York, supreme director; E. G. Dunn, of Mason City, past state deputy of Iowa and Hon. M. J. Wade, judge of the federal court, southern Iowa district.

Recruits Did Not Come Back.
Baker, Aug. 1.—Captain Lee M. Clark, recruiting officer for the Oregon National Guard, who with Sergeant Wickham went to Prairie City yesterday morning, will return to Baker this afternoon at 4 o'clock and will be here until 10:35 p. m., when he will leave for Ontario. Until then he will be at the Antlers, prepared to

meet those who were to give him their final answer as to enlistment and any others who desire to join the national guard.

The four recruits noted in the Democrat Sunday were sent to Clackamas Sunday evening. Three others who enrolled in the afternoon failed to appear again and Captain Clark fears he will not see them again.

UNSHAKEN TESTIMONY.
Time is the test of truth. And Doan's Kidney Pills have stood the test in La Grande. No La Grande resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony. Ed L. Bussey, La Grande, says: "I had been subject to kidney trouble at times, especially when a cold settled on me. Dull pains annoyed me and my kidneys got badly out of order. About three years ago I began using Doan's Kidney Pills and from that time on, I have had something on which I can rely. Whenever bothered, it has taken Doan's Kidney Pills only a short time to set me right. I am perfectly free from kidney trouble now." (Statement given November 20, 1912.)

On May 25, 1916, Mr. Bussey said: "I am ready to back every word of my former statement, regarding my experience with Doan's Kidney Pills, for I know they have no equal. Whenever I notice my kidneys getting out of fix, I take Doan's Kidney Pills and they never fail to do the work." 50c at all dealers. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

Every Housewife in America Has Long Dreamed of a range that would successfully burn coal or wood or oil, singly or in combination. The Duplex-ALCAZAR is the first range to fully fill the bill. It is as near perfection in construction, operation and results as human brains and great manufacturing facilities can make it.
