**The Mothers**  
Bright Finish  
THERE is always a charm and individuality about the old spoons which the early makers forged and wrought by hand. Absolutely plain, brightly polished silverware is always rich and impressive and in our Mothers Pattern we have given this look of chasteness and dignity which the hand wrought spoon had. Designed from a very old pattern it is a perfect reproduction of the style our forefathers used and loved so well, and meets the demand in every way for a plain, bright finished Colonial pattern.  
Made in Sterling Silver only, and stamped with the Trade Mark: Lion, Anchor and letter G  
Which insures quality and purity of design
