212 CALLS TO FIRE FORCES

NO. 17 IS BOX WITH LARGEST TOTAL.

Nos. 13 and 23 Stand Well Up in the List—Telephone Calls Lead.

Two hundred and twelve fire alarms have come into the fire station since the automatic system was installed in 1913 until August first, 1916, show figures Fire Chief Claude Mackey has computed. Much ado is being made these days about fire alarm calls in other cities coming in over Nos. 13 and 23. La Grande's boxes designated by those two supposedly hoodoo numbers rank well up in the list but are not foremost. No. 46 representing the area about North Second and Z avenue holds the plum for greatest total of calls and with a total of 17 has a three-point lead over No. 33, at Y and North Fir. The complete list of calls from each respective box, is listed as follows by the chief's tables:

- No. 12—16
- No. 13—10
- No. 14—8
- No. 21—10
- No. 22—2
- No. 23—7
- No. 24—3
- No. 25—8
- No. 26—8
- No. 31—9
- No. 32—4
- No. 33—14
- No. 34—3
- No. 35—2
- No. 41—6
- No. 42—3
- No. 43—11
- No. 44—12
- No. 45—4
- No. 46—17
- No. 52—3
- No. 53—3
- No. 54—0

Total 162
Still alarms 50. Total alarms 212.
Of this grand total calls, 90 were telephone and 72 over straight box service.

Liver Trouble.

"I am bothered with liver trouble about twice a year," writes Joe Dingman, Webster City, Iowa. "I have pains in my side and back and an awful soreness in my stomach. I heard of Chamberlain's Tablets and tried them. By the time I had used half a bottle of them I was feeling fine and had no signs of pain." Obtainable everywhere.

United Press Will Have Direct News of South America.

Buenos Aires, Aug. 7.—Long term contracts were closed here today by which the United Press service is extended to South America, with principal headquarters in the offices of La Nacion, South America's greatest newspaper.

Coincidentally the Central and South America Cable company has reduced the press rate between New York and South American cities from 22 cents to 15 cents per word.

This deal, which establishes the first comprehensive news service between the two continents, was closed by Roy W. Howard, of New York, president of the United Press, and Jorge Mitre, publisher of La Nacion. Charles P. Stewart, formerly general manager in Europe of the United Press, will be in general charge of the South American service.

It is believed here that the closing of these contracts marks a new epoch in the development of social and commercial relations between North and South America. Heretofore the principal newspapers of South America have received their foreign news from European agencies. The United Press now will cover

the world for South American papers. On account of cable transmission conditions, much of the service will be filed direct from the London, Berlin, Paris and Rome bureaus of the United Press, but a large part of the transmission will be handled through New York.
