Wheat Selling Readily.

Baker, Aug. 9.—That ranchers in Eastern Oregon are selling their grain much more liberally this season than was the case last year, was the statement this afternoon of J. F. O'Bryant, warehouseman and local buyer for M. H. Houser of Portland, who in the last five days has contracted for nearly 100,000 bushels of wheat from farms lying between Baker and North Powder. Prices on Bluestem, Club and Forty-fold have varied from 95 cents to \$1 a bushel, the latter quotation being most general today.

Other deals made for Portland firms will bring the total up to 150,000 bushels, the same general prices prevailing.

While a number of grain farmers made money last year by holding just long enough, a larger number, Mr. O'Bryant says, lost heavily by holding too long. This explanation, he says, accounts for the willingness to contract now. Grain contracts at this time last year, through this part of Eastern Oregon, were practically unknown.

The wheat now spoken for is to be delivered immediately on harvest and will be shipped to eastern ports for European delivery.

Black Bear Exonerated.

That black bear are not responsible for the death of the cattle lost last month in Fox valley by stockman, is the opinion of Stanley C. Kewett, of the office of the biological survey. He says the cattle undoubtedly died from disease or on account of eating poisonous weeds.

Dealer in Extracts Arrested.

Deputy Sheriff Giles Quimby has arrested a merchant in Oakville for selling lemon extract containing such a percentage of alcohol that it was being bought for liquor.

Aberdeen Logger Is Dead.

Allen Logan, aged 34 years, one of the best known young timbermen in Grays Harbor county died Saturday afternoon in a Portland hospital. Tumor on the brain was the cause of his death.

Car Plunges Over Grade.

An automobile owned by W. F. Loomis, an Ashland grocer, backed off the Siskiyou grade and plunged down more than 125 feet. None of the occupants were seriously injured.

Owl Caught on Street.

An owl measuring 4 1-2 feet from the tip of his beak to the tip of his tail was captured in Portland at Fourth and Morrison. It is now on exhibition in the fire station and will probably be put in Washington park zoo.
