*The Refreshing Charm
of good tea is in its
delicate flavor*

*Unfortunately, the world is not full
of good tea. You must choose with care.
Those many women who use Schilling's
Best know that the cost of good tea is
very, very little. But this is not the only
reason for their preference. Another
reason—a very real reason—is that
each of the four taste-types (Japan,
English Breakfast, Ceylon, Oolong)
brews tea of indescribable charm.*

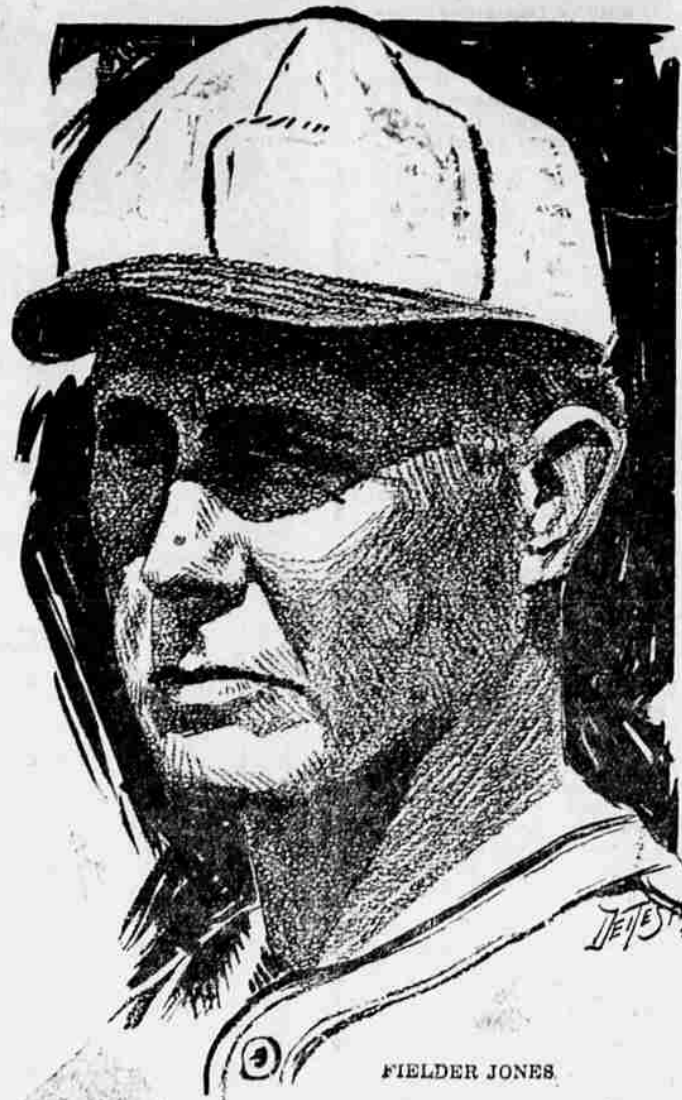

Send for the Taste Packet
which makes it easy for you to find the type of tea that
you like best. Contains four parchment envelopes of Schilling's
Tea—Japan, English Breakfast, Ceylon and Oolong.
Enough for five or six cups of each kind. Mailed
promptly on receipt of 10 cents (stamp or coin).

TAKES TEN YEARS FOR MIRACLE MAN OF 1906 TO STARTLE BASEBALL SECOND TIME.

FIELDER JONES

Baseball's wisecracks indulged in a laugh about a month ago when Fielder Allison Jones declared his Browns would be perched in the first division of the American league by Aug. 10.
No one dreamed that the St. Louis crew would start a winning streak rivaling that of 1906 when the White Sox, piloted by Jones, reeled off 19 straight, then won the world's series.
They've changed their tune, however, since the combination of American and Federal leaguers bossed by the silent man of the north-west unbuckled a dozen consecutive victories.

Inter-Mountain-Town Matches This
Month Promise Interest.

Letters which the writers drafted with the same diplomatic care and caution that President Wilson exercises on any of his notorious "Notes" to belligerent nations, have been flitting back and forth between Kamela and Meacham regarding baseball and tennis matches. The letters, in part, are appended and are self explanatory:

Kamela, Ore., Aug. 8.—(To the Meacham Chief Mogul, the Bad Actors.)—We are very sorry to learn that your yellow streak has widened out and lengthened to such an extent that it becomes necessary for you to take to the tall and uncut to avoid meeting our invincibles on the Kamela diamond Aug. 6th. If you can forget your yellow streak long enough and pick up enough bushwhackers to make it interesting for us, we would appreciate it very much, if you would meet us on the Kamela diamond Sunday, August the 13th.

We notice that you are going heavy to tennis and although personally and collectively we do not know any of the rules of the game of tennis, we hereby challenge you to a game of tennis on Aug. 20th, singles, doubles or any way you wish to play it and will bring down four that never saw a tennis court.

Will give you a handicap and clean up on you to such an extent that by Sunday, Aug. 27th your tennis court will be a hen yard. Please advise us in time to get our mechanical force cleaned up and cinders out of their eyes so that they will not run into the net and tear it down.

We also need a few days to get a few home runs wrapped up in our bats and sandpaper the diamond.

Come on boys, don't be afraid, we won't hurt you.

THE INVINCIBLES BALL TEAM,
of Kamela Oregon.

Meacham Wants Baseball Men.

Wanted—Wanted—Wanted— Must have ten or twelve good baseball players at once to go to Kamela Sunday, Aug. 13th to take the conceit out of a bunch of invincibles, which they claim: themselves.

Join quick, we need you to keep up the name of our town.

COMMITTEE.
Meacham's acceptance to a game of baseball.

Meacham, Ore., Aug. 9.—(To the Manager of Kamela Aggregation, also Scouts.)—Greetings: We hasten with alacrity to accept your challenge and we assure you the "Yellow Streak" shall be nothing more or less than a "Pata of Glory;" also we expect to deliver the goods, all wool and a yard wide, on the aforesaid date ye 13th of August in the year of our Lord, nineteen hundred and sixteen, and we humbly wish to suggest to the Kamela Invincibles that pride goeth before destruction and a haughty spirit before a fall or in less classic terms,

its' a long way from "a setting of eggs to a feather pillow."
BY MANAGER OF PRIDE OF THE WOODS BALL TEAM.

Meacham acceptance to a game of tennis.
Meacham, Ore., Aug. 9.—(To the Invincibles of Kamela.)—We wonder at your erroneous attitude towards our skill at tennis. However we are willing to torment your wipers on the day given, Sunday, Aug. 20. If you expect them to wipe us as easily and in a like manner to wiping engines, we would suggest that you polish up their brass to perfection as it will require a greater amount of brass on that day than one or even four wipers would be allowed to carry unless highly polished. The balls we use are sky color and hard for the average player to see at all. Our racquets are noiseless and it is useless to mention that our players are unequalled in the game. We wish you a merry start on your trip over here. Yours with no respect. TENNIS CLUB.

National Rowing Regatta at Duluth.
Duluth, Minn., Aug. 11.—Crack oarsmen from all over the United States are here today to compete in the annual championship scull and gig races, called the National Rowing Regatta, directed by the National Association of Amateur Oarsmen under the auspices of the Duluth Boat club. The regatta will end tomorrow. Among the better known sportsmen of this class present were: Fred Portmeyer, James Pilkington and John O. Regan of New York; James Denigre of St. Paul, R. H. Pelton of Brooklyn, James Fox and George McGrath of Boston, John Coogan of Springfield, Mass.; J. V. Lathrop of Detroit and H. P. Burke and Charles Preisandaz of Philadelphia. This is the first time the regatta has come west for four years. It never has been west of Peoria, Ill. Lynn, Mass., and Buffalo made a strong bid for the regatta this year, but to bring in as many western amateurs as possible it was thought best to give the event to Duluth. J. H. Barnes of the Duluth club is the man who won the day with his arguments before the association's committee.

Cure for Cholera Morbus.
"When our little boy, now seven years old, was a baby he was cured of cholera morbus by Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Mrs. Sidney Simmons, Fair Haven, N. Y. "Since then other members of my family have used this valuable medicine for colic and bowel troubles with good satisfaction and I gladly endorse it as a remedy of exceptional merit." Obtainable everywhere.

Suffragists Warn Congress.

Colorado Springs, Colo., Aug. 11.—An official circular passed out to delegates attending the conference of the National Woman's Party here today said:

"If the Susan B. Anthony amendment is not passed by the present Congress—practically a Democratic Congress—the National Woman's Party conceives it their duty at the polls in November not to vote for the Democratic candidates for the Presidency or Congress. Only by passing the federal amendment can the Democratic party convince anyone that they sincerely stand for the enfranchisement of women, as affirmed in their platform."

BLYDENSTEIN'S

PREPARED DIETARY FLOUR

Ask your physician, he will advise. Use Bran and Coarse Flour for Constipation, etc., in preference to Medicine.
Dietary Flour makes buns and bread that taste good.

Made from clean bran and a flour rich in gluten and mineral salts natural to the wheat—it does not have that branny taste.
