FANCY PRIZES FOR GROWERS

SPOKANE APPLE SHOW DATES ARE SET

Two Hundred and Fifty Dollars for Five Boxes Is Premium Spokane, Wash., August 12.—The record price of 52 cents an apple will be received by some northwestern grower for five boxes of apples, in a competition just announced by Manager Gordon C. Corbaley to be held at the Ninth National Apple show, in Spokane, November 20 to 25.

"This will be the most spectacular contest in which apples have ever engaged," states Mr. Corbaley. "Our purpose in having this is to determine which district and which grower can produce the best five boxes of apples this year. The winner will be given \$250 in gold and the National Apple show world's championship banner. The competition will be restricted to the following varieties: Arkansas Black, Delicious, Jonathan, McIntosh Red, Rome Beauty, Spitzenberg, Stayman Winesap, Wagner, Winesap, Winter Banana, White Winter Pearmain and Yellow Newton.

"The grade and pack demonstrations, which were a big feature at last year's show, again will be held for the purpose of aiding to secure standard grade and pack. The leading shippers and associations in each district are being invited to prepare displays that will perfectly illustrate the range of fruit that they understand should be permitted within the limits of each grade and pack. These displays will be placed in immediate proximity to each other at the National Apple show so that comparisons may be made with the fruit. Especially is this important because of the practical demonstration that it will give to the growers themselves. At certain hours each day the displays will be discussed in detail and the growers' questions answered."

Allen Meisenheimer, a well-known Spokane man who is interested in the fruit industry, has been named chairman of the board of trustees of the Ninth National Apple show. Mr. Meisenheimer and Mr. Corbaley have formulated a preliminary plan for the event, and the premium list already has been issued.

"Fred Nodine, the cattle king and big rancher of Union county, was over from Union Monday. Mr. Nodine has one of the largest farms in Union county, including 5000 acres of tillable land. He will harvest this

Arthur Middleton of the Metropolitan, has a voice of bass quality, yet running very high into the baritone, almost to the tenor register. He is one of the many great artists who have demonstrated by actual comparison that Edison's Re-Creation of an artist's work cannot be distinguished from the original. Hear Edison's Re-Creation of Middleton's wonderful voice, then hear Middleton at the Metropolitan or when the great bass is on concert tour.

What would your neighbors think of Arthur Middleton?

Suppose he sang for you to-night. Your neighbors would gather at their windows to hear his wonderful bass voice. Edison's new art re-creates Arthur Middleton's magnificent voice with absolute fidelity.

The NEW EDISON

Not alone Middleton, but the voices and instrumental art of all great artists are perfectly re-created by this wonderful new invention. We are licensed by Mr. Edison to demonstrate and sell the New Edison. Come to us and hear examples of this new art.
