JIM RIPPEE BADLY HURT

KEROSENE IN TUB CAUSE OF FIRE.

News and Personal Mention from Reith (Pilot Rock Junction)

Reith, Aug. 14.—James Rippee, an employe at the round-house, was quite badly burned about the arms, legs and feet about 9 o'clock Sunday morning and his box car house caught on fire as a result of using kerosene in a tub of water in which he was washing some greasy overclothes. In some manner the kerosene caught on fire and Mr. Rippee received his burns in getting the tub kicked out of doors. After the emergency dressings had been applied to the injured limbs, Mr. Jackson took him to Pendleton in his auto where he could have the attention of the company surgeon, Dr. Ringo.

The wreck which occurred eight miles west of here on the morning of the 10th has caused lots of extra work here on account of bad order cars being brought back here for repairs and some to be transferred. Four cars of coal were a total wreck and the clam shell from La Grande has been busy picking the coal up and loading it into other cars to be sent forward. Roy Dungan, formerly of this place, but now of La Grande, had charge of the locomotive crane engaged in picking this coal up.

Supt. W. Bollons, Assistant Superintendent A. Buckley, Division Master Mechanic Thomas, all of La Grande, were here Friday in connection with the wreck and conducting the regular monthly supply train over the division.

All aboard for the picnic at Gibbon on Thursday, August 17th. Everybody invited to come whether in the employ of the railroad or not. Outsiders are welcome and especially requested to join us in these sports and enjoy a day's recreation with us. Excursion rates have been granted for all those not entitled to passes. Fare from Reith, \$1 for the round trip, half fare tickets for children over five years and not over 10 years of age, 50c. See handbills for list of prizes.

E. J. Anthony and C. H. Campbell of the store department returned on No. 17 Saturday from Soda Springs, Idaho, where they had spent a few days on business.
