## MEACHAM NINE TRIMS KAMELA

### GREEN RIVALRY BETWEEN TWO TOWNS DEVELOPS.

Meacham Correspondent Hurlis Harpoon at Kamela Diamond.

Meacham, Ore., Aug. 15.—The Kamela Invincibles suffered a crushing defeat at the hands of the Meacham football team, August 13, 1916, when the two teams clashed on the Kamela diamond (?) and "Pride of the Woods" boys ran up the score, 14 to 3, much

to the utter consternation of the Invincibles (in name only). Just here we would add a word about the diamond. It was certainly an "uncut" gem and a poet would describe it as a "field with verdure clad."

However, to numerous causes may be ascribed the defeat of our opponents, among them being the absence of their manager and mascot, Wetzel, and then, too, their heavy hitters were unable to find the tricky balls which Pitcher Ulrich served to all comers.

However, in due justice to Kamela we will say they played right manfully after the first inning when a puncture was put in their inflated pride.

But aside from the friendly rivalry of the game, Meacham will not soon forget the kindly treatment accorded to their players and the rooters who accompanied them. A return game will be played on the Meacham

grounds, August 27th.

### Other Meacham News.

Mrs. J. D. Casey and daughter, Jenny, went to Hilgard on Thursday to spend the day visiting.

J. D. Casey went to La Grande on Thursday on business.

R. Fagan went to Pendleton on Saturday to have a tooth extracted.

Mrs. Elyza Shankland of Estacada, Ore., is visiting a week or so with her sister, Mrs. Mattie Atchison and her niece, Mrs. E. M. Calvert.

Jim Beard came up from Pendleton on Sunday to spend the day with his family.

The dance on Saturday night was enjoyed by all who attended and there was a good crowd. So far as is known, it may be remembered as the last dance for some time unless a new hall is built.

Philadelphia, Aug. 15.—A walking trip of nine hundred and fifty-six miles, from Philadelphia to Chicago was started from here today by Franklin X O'Brien, of South Yarmouth, Mass., under the auspices of the National Highway's association, of Washington, D. C., to arouse further interest in the National movement for good roads everywhere. Mr. O'Brien left the corner of North Broad and Market streets, at the City Hall, Philadelphia, at 8 o'clock on his long hike over the Eastern End (Philadelphia to Indianapolis) of the Pike's Peak ocean-to-ocean highway. His outfit consists of a light equipment of extra clothing and an aluminum cooking set, besides his guide and note books. The Pike's Peak highway runs from Philadelphia to San Francisco, with a connecting link between Reading, Pa., and New York City. Mr. O'Brien's itinerary takes him through Harrisburg, Pittsburg, Columbus, Springfield, Dayton and over the Dixie highway, to Chicago, via Danville, Ill. Mr. O'Brien expects to reach Chicago, October 13th.
