ARTISTS CALL HER "CUTEST KIDDIE."

"Cutest kiddie in Chicago!" artists say of Baby Marie Garrity, who dances with the grace of a wood nymph and defies heat by dressing in light airy clothes. The little cherub was caught by the camera on the green at the Art Institute where she posed for artists.

Fine Grain Crop in That Vicinity—Many Auto Trips Taken

Ladd Canyon, Aug. 23.—(Special).—Messrs Fuller, McCauley, and Tucker steamed up their big threshing engine this morning and began on Andrew Mullenburg's grain. William Banton, who also conducts a thresher, is making preparations to commence at once on the D. W. Miller place, also in this community. Both concerns will be kept busy for some little time in their own neighborhood, as there are many heavy fields of wheat, oats and some barley. Farmers are very busy getting their grain bound and the weather is ideal for all preparations.

Mrs. Neill McClure and two little daughters have been at Baker the past two weeks visiting with relatives and contemplate remaining the rest of the month.

Mr. and Mrs. Henry Peebler and son, Walter, left here about two weeks ago in their Maxwell car for a trip to Bend, Ore., where they will remain with relatives until the last of this month.

Mr. and Mrs. Charles Grandy and Phil Krouse motored over to the Minam in the Grandy Ford a week ago Saturday, where they spent the night, remained all day Sunday fishing. Mr. and Mrs. Adolph Peebler went down to Looking Glass in their Ford car, accompanied by Mr. and Mrs. Reginald Heryford, where they spent the same length of time in quest of fish. Only fair catches by both parties were realized as the rain had caused the water to become too muddy.

The members of the Happy Girls' Club are being entertained this afternoon by Miss Minnie Drumsmith.

Mrs. Mary I. Counsell came home from Joseph Sunday with her brother-in-law, Albert Kinney, in his Chalmers car, accompanied by her sister, Mrs. Guilla Turnbough and two children, Daisy and Nellie, after a month's visit with relatives at that place. They started home today.
