MERCY, CLARENCE! TIGHT COATS WILL BE TIGHTER AND NARROW TROUSERS NARROWER! FASHION SAYS SO.

Dear Clarence:— Just fancy! Here I am at Cedar Point, O., at the annual convention of the Custom Cutter's association, where they are doping out our clothes for next year. Believe me, Clarence, we will look like perfect dears in 1917. Coats, which have been tight, will be tighter and they will be form fitting, too. Imagine! And the trousers will be as narrow as narrow can be. We'll sure have a ripping time! Yours sincerely, PERCY.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair. You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful. This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

The Officers of this Institution, in like manner, measure the importance of his bank account, not by the size of its initial deposit but by its possibilities for development.
