GIRL PUTS POLICE ON TRAIL OF \$33,000 BOY BANDITS!

JESSIE NOLTIE

Posing as militia deserters and using an innocent girl of 18 as a shield, five bandits who held up Burroughs pay-auto for \$33,000 Aug. 4 lay hidden, with their loot, in a Detroit rooming house while police searched for them there and later spread their dragnet over three states.

The girl—Jessie Noltie—has learned how she was duped and put the police on the right trail, which leads, she says, through Toledo. The five boy bandits have made their getaway with the loot in two large trunks; but on Jessie Noltie's clue, the police are hard after them.

CONDON CROP OUTLOOK GOOD

Former La Grander reports money easy. Farmers Short of Hands to Garner the Yield This Fall.

Money is plentiful in the Condon country, and everybody is looking forward to the cash returns from good crops at fancy prices, according to Fred Bock, a former La Grande meat dealer who is now in business there.

Best yearlings 5.50. Good to common ewes 2.50@3.00. Interchangeable Church Membership.—The Panama Canal has developed other problems than those which have centered around Culebra Cut. The tendency of the earth to slide is no greater than the tendency of the average humanity to forget old landmarks and to slip into careless ways and unworthy living when home is a long way off.

At the present time there are only about 4,000 whites in the Canal Zone, and it is not likely that this number will soon exceed 6,000. All members of the Union Church are members of whichever chapel they find most convenient to attend, the constant transferring of men from point to point making this sort of interchangeable membership necessary.

LEST WE FORGET.—That next Friday evening the La Grande Racing club will auction off the race grand stand box seats during the progress of the band concert. This sale is held to give those who desire the facilities, chance to bid in on them and have them reserved for the entire week of the races. Eight can be seated in each box.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
