J. WARREN KERRIGAN IN "THE SILENT BATTLE"

### Popular Novel Makes Photoplay.

Thousands of copies of "The Silent Battle" have been sold and George Gibbs, its author, has reaped rich

royalties from the novel—and now it goes into Bluebird photoplays to further extend its popularity. J. Warren Kerrigan, Lois Wilson, Maud George, and Harry Carter will have

the principal roles in unfolding a most interesting story, strong in sentiment and imbued with an inspiring lesson.

Its plot portrays the struggles of a brilliant young attorney against an hereditary enemy—strong drink. Coupled with this factor there is a strong element of "heart interest" involving the young attorney and two women in a triangle of intrigue. One of the women has so thoroughly determined that she shall marry the man, that she humbles herself to unusual extremes—and finally atones by helping clear the way for her rival.

There is assurance of splendid entertainment when the feature is shown at the Sherry theatre on today and tomorrow interest for all classes of "film fans" being provided for in the elements of sensationalism, that are coupled with the beautiful scenic investitures provided by nature, plus an engaging love theme that ultimately arrived at the much desired happy ending.

### Light Vote in Colorado Today.

Denver, Sept. 12.—An extremely light vote in the country districts, which political leaders attribute to the heavy crops and scarcity of labor, is being cast today in the statewide primaries. The heaviest polling is in cities and towns. The voters are having their final say today on the men "designated" by the state conventions as primary candidates. The Democratic convention made Julius C. Gantner their unanimous choice for governor. He is unopposed in the primary. The Republicans "designated" George B. Carlson, the present incumbent, and Samuel D. Nicholson, to fight it out in today's battle. Under the Colorado primary law, if a candidate receives ten per cent of the state convention vote, he is entitled to a place on the primary ballot. As a result of this, nominations for the various state offices, including that of state treasurer, attorney general, state auditor and members of the state supreme court are being contested for by many men.

## SALTS FINE FOR ACHING KIDNEYS

We eat too much meat, which clogs Kidneys, then Back hurts and Bladder bothers you.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications. A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
