

308 X YES IS A VOTE FOR YOUR CHILDREN

SQUARE DEAL FOR EASTERN OREGON

If you are in favor of a square deal for the country East of the Cascades you will vote for and work for THE PROPOSED EASTERN OREGON STATE NORMAL SCHOOL AT PENDLETON, OREGON. Oregon has but one Normal School. This school is located at Monmouth and is not able to supply more than TEN PER CENT of the teachers required in the public schools of Oregon. Of the more than six thousand teachers in our public schools, BUT 13 PER CENT are graduates of Normal Schools. It is a matter of simple justice to the country East of the Cascades to establish a Normal School East of the mountains to furnish thoroughly trained teachers for the schools of Eastern Oregon.

TRAINED INSTRUCTORS WANTED

Every resident of Eastern Oregon has a vital interest in the passage of this measure for Eastern Oregon pays HIGH SALARIES to her teachers and is entitled to the services of TRAINED INSTRUCTORS.

ONLY COSTS 4 CENTS PER \$1,000

The annual cost of maintenance of the proposed State Normal School amounts to BUT ONE 25TH OF A MILL OR 4 CENTS ON A THOUSAND DOLLARS of taxable property. Isn't it worth this to you to have your children trained to become USEFUL AND PRODUCTIVE citizens?

STRONG ENDORSEMENT

J. A. Churchill, the State Superintendent of Public Instruction, voices the sentiment of the educators of the state when he says:

"Oregon's greatest need for its rural schools is the teacher who has had full preparation to do her work. Such preparation can best come through Normal School training."

"I trust that the voters of the state will assist in raising the standard of our schools by establishing a State Normal School at Pendleton. The location is central, the interest of the people of Pendleton in education most excellent, and the large number of pupils in the public schools will give ample opportunity to all students to get the amount of teaching practice required in a standard normal school."

The educators of the State insist that Standard Normal Schools be located in towns of 5000 population or more and having ENOUGH GRADE PUPILS FOR TEACHER PRACTICE.

BE LOYAL AND VOTE RIGHT

Show your loyalty to the best interests of Eastern Oregon and of the whole state by working for this measure and by voting YES FOR NO. 308. By voting YES for No. 308 you will help to GIVE TO THE SCHOOL CHILDREN OF OREGON THE SAME ADVANTAGES ENJOYED BY THE SCHOOL CHILDREN OF OUR NEIGHBORING STATES.

ACKERMAN IS FOR PENDLETON MEASURE

HEAD OF MONMOUTH NORMAL SAYS ONE SCHOOL CANNOT SUPPLY DEMAND FOR TEACHERS.

Monmouth, Ore.—"A careful analysis of the situation will convince any one that Oregon needs a Normal School in Eastern Oregon and also one in Southern Oregon," said J. H. Ackerman, President of the State Normal School at Monmouth. "It is a well-established fact that a centrally located Normal School cannot supply the needs of the entire state. The need of a Normal School in Eastern Oregon is readily proved by the most cursory investigation of the list of our students and the list of our graduate teachers. The estimated population of our state in 1914 was 795,587. Take for example the eight Western Oregon counties, Clatsop, Clackamas, Benton, Lane, Linn, Marion, Polk and Yamhill Counties. Their population for 1914 was 214,608, or less than 27 per cent of the total population of the state, yet 50 per cent of the graduates from our Normal School for the past five years are teaching school in some one of these eight Western Oregon counties. There are 35 counties in the state, yet eight of these counties are getting half of the benefit of the teachers for which all of the counties pay the taxes.

Here is the list. During the past five years we have supplied the following graduates as teachers to these counties:

Clatsop, 18; Clackamas, 20; Benton, 25; Lane, 36; Linn, 28; Marion, 28; Polk, 25; and Yamhill, 20. In other words, 203 of our 407 teachers who have secured places in the public schools in Oregon during the past five years, have gone to these eight Willamette Valley counties.

Now take eight typical Eastern Oregon counties and see if they have secured their proper share of teachers with Normal training. During the past five years we have supplied Normal graduates as follows to these Eastern Oregon counties:

Baker, 9; Grant, 1; Harney, 4; Malheur, 2; Morrow, 4; Umatilla, 10; Walla, 7; and Wheeler, 2.

The eight Willamette Valley counties had 203 Normal teachers as against 39 Normal teachers for the eight Eastern Oregon counties. Eastern Oregon received less than 10 per cent as against Western Oregon's fifty per cent.

Are You Looking Old? Old age comes quick enough without inviting it. Some look old at 40. That is because they neglect the liver and bowels. Keep your bowels regu-

lar and your liver healthy and you will not only feel younger but look younger. When troubled with constipation or biliousness take Chamberlain's Tablets. They are intended especially for these ailments and are excellent. Easy to take and most agreeable in effect. Obtainable everywhere.—Adv.

Look and Feel Clean, Sweet and Fresh Every Day

Drink a glass of real hot water before breakfast to wash out poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is. One will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans but all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatism; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

The Elk's Band, in Demand in Eastern Oregon.

Off on its first long engagement for the fall, the next of which will be the Pendleton roundup, the Elk's band started this morning on No. 17, for Heppner to play at the Heppner fair for the week-end. It will also supply an orchestra for that occasion. The contract calls for 20 men and consequently several didn't go, but next week at the Pendleton Round-Up there will be 28 in the organization and La Grande will have a band to be especially proud of. Both at Heppner

and at Pendleton desirable publicity will reflect upon both the Elks' lodge and the city of La Grande. The delegation which left this morning is under the musical direction of Leader Haines and business affairs are being looked after by Frank Bay, official care killer. They will reach their destination late tonight, and remain until Sunday morning, returning to this city Sunday night. Most rigorous rehearsal have been the order for several days and La Grande people can rest assured that this city's musical reputation is being well taken care of at Heppner. Those who comprise the band as it left for this week's engagement were:

Drums—Browning and Ford; cornets—Haines, McManus, Loney and Tatman; clarinet—Snapp, Graves; baritone—Crawford; trombones—Stringham, Sherwood, Perrine; alto—Bay, Lewis; tuba—Hommie.

DRY FORCES CEMENT LINES

VARIOUS GROUPS COMBINE CENTRAL COMMITTEE.

Executive Committee Named to Direct Opposition to Brewers' Bill

Fifty delegates attended the "dry" convention yesterday afternoon in the Y. M. C. A. and perfected an independent local organization to conduct the campaign in Union county against the Brewer's bill and in favor of the amendment prohibiting the importation of alcoholic liquors into the state. The aims of the organization as outlined at the convention will be to inform the voters of the county of the nature and effects of these bills, to endeavor to get all "dry" voters registered and to see that they vote on election day. The slogan of the meeting was "Vote 315 X No; 316 X Yes."

The following executive committees were appointed to inaugurate plans of procedure and direct the campaign: George Huntington Curry, chairman; Rev. G. L. Clark, vice chairman; Rev. H. L. Ford, secretary; L. L. McKennon of Union, treasurer, and Para Thornton, H. H. Cleaver, of Alice, and J. H. Henderson of Elgin, executive committee members.

The object in thus organizing an independent county campaign committee is to avoid duplication of plans and it is the intention that this Union county committee shall work with all state and national organizations working in the interests of prohibition. The delegates present represented the W. C. T. U., the Anti Saloon league, the Prohibition party and members of the State Union Dry committee which is headed by Ex-Governor Oswald West.

In the evening Phillip Deschner spoke at the Presbyterian church explaining the issues of the campaign to a large audience. Axel Osterholm and Mrs. George Huntington Curry assisted the musical program with very pleasing solos.

How to Give Good Advice.

The best way to give good advice is to set a good example. When others see how quickly you get over your cold by taking Chamberlain's Cough remedy they are likely to follow your example. This remedy has been in use for many years and enjoys an excellent reputation. Obtainable everywhere.—Adv.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old time recipe improved by the addition of other ingredients for about 50 cents. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

He's Nearly Dead, But Not Completely

Someone wrote to the information department of a well-known motion picture magazine and asked if it were true that William Farnum had been killed in the west. The letter was sent to the William Fox headquarters, from which place it was forwarded to Mr. Farnum.

He answered: "Mark Twain once said that the report of his death was grossly exaggerated. I will not go so far as that. In my work in 'The Man from Bitter Roots,' which I have just completed I came near death more than once. So while I cannot say that I am dead, I do not feel it would be proper to say that a report to that effect would be greatly exaggerated."

Constipation the Father of Many Ills.

Of the numerous ills that affect humanity a large share start with constipation. Keep your bowels regular and they may be avoided. When a laxative is needed take Chamberlain's Tablets. They not only move the bowels but improve the appetite and strengthen the digestion. Obtainable everywhere.—Adv.

HOME INSTITUTION

Fly by nights come and go, locate and relocate, make big noises about buying from One (mostly One) to Five Thousand Pianos at a time, this statement alone should discredit all other statements. Few people fall for offers of something for nothing, and afterwards to awaken to realize that they have been loaded up with worked-over, second-hand stuff shipped from other points, we perhaps can give you some references if you care to investigate. We have no pipe dreams about selling pianos with lessons thrown in, or lessons with pianos thrown in. These so-called big houses taken from short range appear differently, refer to Bradstreets or Dunns commercial ratings. Get prices examine goods, and we will convince the most skeptical buyers that we sell goods with merit, pianos that need no prize packages in order to sell. Here to make good and look you in the eye after goods are tried out.
