OFFERS MEDAL TO SCHOLARS

IMBLER MAN WOULD INSTILL STUDY.

Diphtheria Case Reported From Rinehart Crossing.

Imbler, Sept. 13.—(Special)—Geo. Marshall, who was injured recently by being caught between a wagon and a building, is rapidly recovering, although still confined to his bed.

Monday, immediately after school was dismissed, the high school students and faculty of the Imbler school formed in line and paraded the streets with flag and drums. After the parade and class yells, the column headed for Witty's soda fountain where Professors Hurley and Moss distributed cream cones to the students.

The first case of diphtheria reported this year in this vicinity is that of little Wesley Morrison, whose home is near Rinehart Crossing. Several children have been removed from school and the school rooms fumigated, but Dr. Whiting, who is attending the Morrison boy, says there is no danger as the boy wasn't in school Monday and the trouble wasn't pronounced diphtheria until Monday.

As an incentive to study among the I. H. S. students John Witty has offered an engraved gold medal to the student showing the best average scholarship for the entire school year.

The September meeting of the Social Aid was held at the Lucy Wade home just north of Imbler.

The Seventh Day Adventist tent meetings ended Sunday night.

Messrs. C. L. and Walter Moore and Misses Effie Snider and Ethel Pearson were visiting in Union Wednesday evening.

E. E. Hurley boarded the local passenger Thursday en route for Seattle, where he will enter the University of Washington.

Mrs. Para Thornton was down from La Grande Thursday in W. C. T. U. interest.

Building For The Future

The young business man measures the importance of his enterprise by the vision which he has of its ultimate growth.

The Officers of this Institution, in like manner, measure the importance of his bank account, not by the size of its initial deposit but by its possibilities for development.

We cordially invite the accounts of young men embarking in the business world.
