EGGS HIGHER BY FIVE CENTS

Increase to 40 Cents Prevails in La Grande Markets Today. Corn and Onions Have Been Cut Down Somewhat.

Eggs went up five cents per dozen today, bringing the quotation to 40 cents. Otherwise there is little to excite the retailer this week. Seldom have fall lines been so complete, and trading as brisk generally, but as for material shifts in prices, there have been none of consequence thus far in the present week. Green corn is bringing about 15 cents a dozen ears now, and onions are four instead of

five cents. Lemons have dropped to 40 cents from 45.

ACKERMAN IS FOR PENDLETON MEASURE

HEAD OF MONMOUTH NORMAL SAYS ONE SCHOOL CANNOT SUPPLY DEMAND FOR TEACHERS.

Monmouth, Ore.—A careful analysis of the situation will convince any one that Oregon needs a Normal School in Eastern Oregon and also one in Southern Oregon," said J. H. Ackerman, President of the State Normal School at Monmouth. "It is a well-established fact that a centrally located Normal School cannot supply the needs of the entire state. The need of a Normal School in Eastern Oregon is readily proved by the most cursory investigation of the list of our students and the list of our graduate teachers. The estimated population of our state in 1914 was 735,587. Take for example the eight Western Oregon counties, Clatsop, Clackamas, Benton, Lane, Linn, Marion, Polk and Yamhill Counties. Their population for 1914 was 214,508, or less than 27 per cent of the total population of the state, yet 50 per cent of the graduates from our Normal School for the past five years are teaching school in some one of these eight Western Oregon counties. There are 35 counties in the state, yet eight of these counties are getting half of the benefit of the teachers for which all of the counties pay the taxes.

Here is the list. During the past five years we have supplied the following graduates as teachers to these counties:

Clatsop, 18; Clackamas, 20; Benton, 25; Lane, 36; Linn, 28; Marion, 28; Polk, 25; and Yamhill, 20. In other words, 263 of our 407 teachers who have secured places in the public schools in Oregon during the past five years, have gone to these eight Willamette Valley counties.

Now take eight typical Eastern Oregon counties and see if they have secured their proper share of teachers with Normal training. During the past five years we have supplied Normal graduates as follows to these Eastern Oregon counties:

Baker, 9; Grant, 1; Harney, 4; Malheur, 2; Morrow, 4; Umatilla, 10; Wallowa, 7; and Wheeler, 2. The eight Willamette Valley counties had 203 Normal teachers as against 39 Normal teachers for the eight Eastern Oregon counties. Eastern Oregon received less than 10 per cent as against Western Oregon's fifty per cent.

ANNOYING KIDNEY ILLS.

Make Life Miserable for Many La Grande People.

There's nothing more annoying than the kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant lachrymation, headache and dizziness, life is indeed, a burden. Doan's Kidney

Pills have given peace and comfort to many La Grande people. Profit by this La Grande resident's experience. Mrs. E. I. Shepherd, 104 Spruce St., La Grande, says: "I couldn't begin to speak too highly of Doan's Kidney Pills, for I have never found anything their equal whenever I have had occasion to take a kidney medicine. Just as soon as I notice my kidneys are not acting as they should and my back feel weak, I take a few doses of Doan's Kidney Pills and they relieve the trouble."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Shepherd had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.,

Building For The Future

The young business man measures the importance of his enterprise by the vision which he has of its ultimate growth.

The Officers of this Institution, in like manner, measure the importance of his bank account, not by the size of its initial deposit but by its possibilities for development.

We cordially invite the accounts of young men embarking in the business world.

Are You Looking Old?

Old age comes quick enough without inviting it. Some look old at 40. That is because they neglect the liver and bowels. Keep your bowels regular and your liver healthy and you will not only feel younger but look younger. When troubled with constipation or biliousness take Chamberlain's Tablets. They are intended especially for these ailments and are excellent. Easy to take and most agreeable in effect. Obtainable everywhere.—Adv.
