LAST SERMON GIVEN SUNDAY

Special music by a special choir and soloists, will feature the farewell sermon which Rev. W. C. Drahn will deliver at the Lutheran church tomorrow morning. Rev. Drahn leaves soon for the middle west, and it is his intention to announce his successor at tomorrow's services, though this is not positive.

Myers Story Mixed
It appears that Leon Myers, Christian church pastor at The Dalles was not called on to resign as was published in a Portland paper. A statement by the official board was recently published saying the pastor had not been asked to resign during the recent trouble in the church there.

Building For The Future

The young business man measures the importance of his enterprise by the vision which he has of its ultimate growth.

The Officers of this Institution, in like manner, measure the importance of his bank account, not by the size of its initial deposit but by its possibilities for development.

We cordially invite the accounts of young men embarking in the business world.

The United States National Bank La Grande, Oregon.

WANTED—Young men and women to learn the insurance business. Commission or salary and commission while learning. Positions in Eastern Oregon and Washington. Give references and state experience, if any. Write to C. S. Bliss, Walla Walla, Wash.—Adv. 7-28-1m

ADDRESSES WANTED—The Observer would like to get names and addresses of La Grande and Union county people now living outside of Union county. Phone Main 13. tf

MODART CORSETS Front Laced

"A FINE FORM IS BETTER THAN A FINE FACE"

—Ralph Waldo Emerson

After all, the acme of beauty is the expression, the life, the freedom, of a beautiful figure.

Ease and comfort of motion—unconsciousness of any restraint—permit this freedom, this joy and zest which gives true expression to beauty.

It is along these lines—taking health and joy in life as a basis—that

MODART Corsets

are designed—and every wearer stands as fine proof of its success.

Scientific Proof of Maxwell Fuel Economy

In a test made by David L. Gallup, M. E., Professor of Gas Engineering, Worcester Polytechnic Institute, a stock Maxwell Touring Car made from 23 to 33.7 miles per gallon of gasoline at speeds ranging from 10 to 35 miles per hour. We reproduce a letter from Professor Gallup concerning this test.

Deferred Payments If Desired

DAVID L. GALLUP, M. E.
CONSULTING ENGINEER

Worcester Mass Sept. 1st, 1916.

Maxwell Motor Co., Inc.,
Detroit, Michigan.

Gentlemen:—

I beg leave to submit the enclosed blue print giving the results of an economy test made on a 1917 Stock Maxwell Touring Car, furnished by your Boston representatives.

The curve is self-explanatory and needs no discussion other than the statement that the carburetor, which was stock, was adjusted to give the best combination of power, flexibility, speed and economy, for such conditions of touring, as would ordinarily be encountered.

In tabular form the results (taken from the curve sheet) are as follows:

SPEED (Miles per hour)	ECONOMY (Miles per gallon)
10	35.7
15	32.7
20	31.2
25	28.8
30	26.1
35	23.0

Respectfully submitted,

DLG/K

D. L. Gallup

NOTE that no unusual means were employed to get these results. The car was taken from stock; the test was made with a full load and with top and windshield up; the regular Maxwell carburetor was used.

Any Maxwell car is capable of giving this same economy in gasoline consumption.

Maxwell operating economy matches its economy in first cost, making it *The World's Greatest Motor Car Value.*
