SHERRY'S

Western Life in Film.

All the glamour of life in the West is portrayed in the bar-room and dance-hall scenes in William Fox' new photodrama, "The Beast," at Sherry's today and tomorrow. It is especially in the scene where the little Eastern girl (Anna Luther) is entrapped into the back room of the dance-hall that the spirit of the West is most evident. Mildred, the character that Miss Luther plays, desires to see something of life in the town she is visiting, and she hires a Mexican guide to take her into a rear room of a place from which she hears music. The guide sees a chance to get some money, and takes her there. Then, when he has her safely inside, he snatches her purse, runs out, locks the door behind him. From here on the story becomes very interesting.

Eggs Will Be A
Luxury Soon

Seventy Cents a Dozen Looked for by Boston Dealers—Dollar Also Expected.

Boston, Oct. 4.—With the price of "fresh-from-the-nest" eggs climbing to 65 and 70 cents a dozen during the first days of October a price of one dollar a dozen is anticipated before the end of winter. "The retail price of eggs is going to be 75 cents a dozen within a short time and Massachusetts consumers will be fortunate if they are not paying a dollar a dozen before spring," said Secretary Wheeler of the Board of Agriculture. The ill effect on the hens of the late and

unfavorable spring is assigned as chief cause.

MATCH MOTOR HAT AND COAT

Smart motorists of the bonneted sex achieve harmony by making their bonnets of the same material that lines their coats.

This stunning little hood of many colored plaid silk shows how cleverly a coat lining may be contrived into a bonnet.

The veil is turquoise blue, and edging of blue beads.

LOUISE GLAUM.

Louise Glaum, the Triangle-line actress who is famed as perhaps the most legitimate "vampire" of the screen in that her character delineations are always convincing, is a decided exponent of the view that the siren qualities of the adventuress type are as nothing without a lavish wardrobe.

So, if you would keep your ear to the ground for the latest word from Paris, do it at the nearest Triangle theatre where Miss Glaum will vend her sinuous way across the screen very soon in a new play from the pen of C. Gardner Sullivan, written especially for her and called "The Wolf Woman."

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional treatment. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, because out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure, sent for circulars free.
