NORTH POWDER GRAIN FROSTED

THRESHING IN FULL SWING AND GOOD YIELDS NUMEROUS.

Several Outfits Working in Grain Fields—Other News of General Interest.

North Powder, Oct. 4.—(Special)—Threshing seems to be the order of the day and good yields are numerous though some of the grain has been frost bitten so that the growers will be docked when they sell their grain. In fact some of the grain has been damaged so much by frost that it would have been better to have cut the grain for hay. Ledbetter's threshing outfit is having a fine run and report good yields of grain. Mr. Ledbetter has moved up towards Baker. The Tuttle outfit of Ramo flat are threshing on the Sunnyslope farms a few miles out of town. The yield of grain will be light here on account of frosted grain.

"Grandpa" Carnes died at his home a few miles west of town the fore part of last week. Mr. Carnes was one of the early settlers in this section. He had been a minister of the M. E. church until feeble health made him give up active work. He left an aged wife and several children and grandchildren to mourn his death.

Mrs. Mabel Brant was taken to Baker for an operation some days ago by Dr. Irvine.

Cooper Bros. show which gave a performance here last Saturday afternoon and night was well attended and a very credible show in every way. This outfit gave good clean performances and should be well patronized as they deserve.

Why don't some of the business men bring in a few cars of coal? Wood is high and cannot hardly be got at any price and there has not been any coal brought in yet. It looks as if some one will have to go cold part of the winter unless some one brings in a few cars of coal. We do not want to wait until cold weather comes either.

It is rumored that we are to have another drug store. North Powder is the best town in eastern Oregon and the ones that get in on the ground floor will be the best off.

It is reported that Mr. Shanks of Union is going to move his bakery from Union to North Powder. Mr. Blossom Shanks has been running a branch bakery for some time and will soon move everything to North Powder. We are glad to welcome Mr. Shanks and family to our town.

Mr. Bollons and the county commissioners were up in this section on Oct. 3rd viewing a railroad crossing which the people of Riverdale neighborhood have petitioned for some time ago. This crossing is badly needed by the people and has been promised them by the county court. They hope to have it in a short time.

Robert Shaw Slays 500 Pound Bruin After Unusual Fight; Used Pistol First Then La-Row-G Shotgun.

EYES OF ALL NATIONS
America and Germany are the greatest eyeglass and spectacle wearing nations of the world. Five Americans wear glasses to one of any other nation.

Deplorable were it not a fact that blindness in America has decreased over 20 per cent since the advent of glasses, while in every other country of the globe there is an actual increase.

Save Your Eyes
Glasses fitted by Peare's will do this—We grind our own lenses, Factory on the Premises.

HAISTEN'S PATENT HEATER

SOMETHING NEW—SOMETHING DIFFERENT IN A HEATER.
There is merit in the excellence of construction, material used, beauty of line and symmetry of proportion, together with the beautiful trimming that cannot be found in any other stove.

A Heater Supreme

A heater supreme. It burns any kind of fuel with first-class heating results. Its single draft so built as not to let any cold air get to the fire is the secret.

A super-heating expansion air reservoir and an automatic draft that adjusts itself to the condition of fire make up a heater that is second to none.

(It Burns Even the Smoke)
I have so much faith in this splendid heater that I will place it in your home on 30 days' trial
